Read the following paper:—

From the Special Deputy Collector, North Arcot, to the Collector of North Arcot, dated Punganúr, 2nd October 1890, No. 508.

I have the honor to state that out of acres 16·20 additionally applied for by the Railway authorities for Pákala junction site, all the lands, except 72 cents of survey, dry, No. 1252, attached to Pákala village, Chandragiri taluk, have been acquired and transferred to the Villupuram-Guntakal Railway. I offered the owners of the above 72 cents, viz., Venkatramanna and Kondadu, the following terms of compensation for their land, the gingelly produce, and a thatched shed thereon :—

		RS.
(1)	Value of 72 cents of land at Rs. 20 per acre, the rate of compensation accepted now by the adjoining land-holders and on a previous occasion by the father of Venkatramanna himself ...	15
(2)	For standing gingelly crop	30
(3)	For a thatched hut	5
	or in all ...	50

The parties did not accept the above offer, but unreasonably demanded a compensation of Rs. 300, which, in my opinion, was excessive. At my request, the Tahsildar of Chandragiri subsequently offered them even Rs. 75 with a view to settle the matter without having recourse to the Act. The owners are reported to have refused to come to any terms.

2. As the land is urgently required for railway purposes, I have to proceed under the Act for its acquisition. I therefore submit, herewith, a declaration prepared under section 6 of the Act X of 1870 showing the particulars of the land needed, and to request that you will be good enough to move the Government to cause the same to be published in the *Fort St. George Gazette*.

To J. R. Atkinson Esquire

Asst Collector of North Arcot

Sir,

I have the honor to state that out of acres 16.20 additionally applied for by the Railway authorities for Pakala junction site, all the lands except 72 Cents of Survey, Dry. No 1252 attached to Pakala village, Chandragiri taluk, have been acquired and transferred to the Villupuram Guntakal Railway. I offered the owners of the above 72 Cents viz., Venkatramanamma & Kondaiah the following terms of Compensation for their land, the Zilla Collector and a thatched sheet thereon:—

		Rs.
(1)	Value of 72 Cents of land at 20 Rs per acre, the rate of Compensation accepted now by the adjoining land holders & on a previous occasion by the father of Venkatramanamma herself	15

	Rs
(2) For standing Ginjelly crop	30
(3) For a thatched hut	5
or in all	50

The parties did not accept the above offer but unreasonably demanded a Compensation of Rs 600 which, in my opinion was excessive. At my request, the Tahsildar of Chandragiri subsequently offered them even Rs 75 with a view to settle the matter without having recourse to the Act. The owners are reported to have refused to come to any terms.

2. As the land is urgently required for Railway purposes, I have to proceed under the Act for its acquisition. I therefore submit herewith a declaration prepared under Section 6 of the Act X of 1870 shewing the particulars of the land needed and to request that you will be good enough to move the Government to cause the same to be published in the Fort Saint George Gazette.
