GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Railway.

Read again the following paper:—

G.O., dated 10th October 1890, No. 1498 R., Public Works.

From the Consulting Engineer for Railways, dated Madras, 20th September 1890, No. 632.

From the Agent, South Indian Railway, to the Consulting Engineer for Railways, dated Trichinopoly, 10th July 1890, No. 969.

In continuation of my letter No. 743 of the 26th May last and previous correspondence, I have to inform you the Board of Directors have sanctioned the further estimated expenditure of Rs. 40,083 (in addition to the items of Rs. 1,24,446 and Rs. 20,000 previously approved) for additional workshop accommodation at Negapatam.

---

From the Agent, South Indian Railway, to the Consulting Engineer for Railways, dated Trichinopoly, 17th September 1890, No. 1327.

Referring to your letter No. 716, dated 16th July 1890, I beg to inform you that this Company's Chief Engineer has thus written to me under date 16th instant:—

"I send you herewith a revised design No. 144/90 (which has been approved of by the Locomotive Superintendent) as asked for in the above quoted letter for your sanction. The estimated cost of carrying out the revised design is Rs. 1,734 as compared with Rs. 4,335. I do not, on this account, propose to submit a revised estimate of the whole of the works to be carried out at Negapatam.

"The total sanction required amounted originally to Rs. 1,94,529. This amount may now be reduced to Rs. 1,91,928. By your No. 11453/976 of 31st July 1890, sanction has been accorded to an amount of Rs. 1,54,446. Sanction is now solicited for the balance amounting to Rs. 37,482."

2. I send herewith the revised design referred to.

---

Submitted to Government in continuation of endorsement No. 316, dated 5th May 1890,* and for transmission to the Government of India.

2. With the above endorsement was forwarded for sanction an estimate for additional workshop accommodation at Negapatam amounting to Rs. 1,94,529. Sanction was, however, only recommended to an expenditure of Rs. 1,34,446 for engineering purposes and Rs. 20,000 on account of Locomotive plant, or an aggregate of Rs. 1,54,446 the sum approved by the Board.

3. The Agent now notifies that the Board of Directors have sanctioned a further expenditure of Rs. 40,083,† which brings up the total sum approved by them to Rs. 1,94,529, the amount of the entire estimate; but he has since submitted a revised design for the workmen's latrine which amounts to Rs. 1,734 instead of Rs. 4,335, thereby effecting a saving of Rs. 2,601 on the original.

4. This will reduce the balance of the estimate to Rs. 37,482 and the total estimate to Rs. 1,91,928.

* Embodied in G.O., No. 668 R., dated 16th May 1890.

† Items 18 to 23 in statement forwarded in G.O., No. 668 R., dated 16th May 1890.

5. The sanction of the Government of India is now solicited to the balance of the estimate, viz., Rs. 37,482.
