NOTE on the Six Months' Estimate of the Capital transactions of the Nilgiri Railway for the official year 1890-91.

There was no budget estimate sanctioned for this railway, but the figures for the year 1890-91 have been taken from the amounts allotted as per G.O. No. 1376 R., dated 13th September last, viz., land Rs. 50,000 and interest Rs. 10,000. In the Six Months' Estimate, the provision for land has been retained, but the amount of interest has been altered to Rs. 1,500. This sum represents interest for three months at

3 per cent. per annum from October to December 1890 on the sum of Rs. 2,00,000 paid into the Bank of Madras by the Directors of the Nilgiri Railway Company on the 1st instant. The interest up to 31st December next only is calculated and included in the Six Months' Estimate for 1890-91, as, according to clause 25 of the contract, it is payable half yearly only, viz., on the 1st of January and July of each year.
