Read the following paper:—

Office note from the Examiner, Public Works Accounts, dated Madras, 1st December 1890, No. 7076.

With reference to G.O., No. 1767 R., dated 11th November 1890, sanctioning an estimate of Rs. 7,150 for surveying a broad gauge line of railway from Bezváda to Masulipatam, I beg to inquire whether it is the intention of Government that the outlay incurred in connection with the survey should be accounted for to me.

2. If that is so, I beg to point out, with reference to para. 2 of the Government Order quoted above, that the most convenient procedure for placing the Madras Railway Company in funds required for the survey would be to ask the Examiner of Guaranteed Railway Accounts, Madras, to grant the necessary letters of credit in favor of the Agent of that Company and to instruct the latter officer to adjust the outlay by transfer debit to me. I understand from the Examiner of Guaranteed Railway Accounts, Madras, that some confusion has resulted in consequence of similar orders in previous cases directing the Financial Department to place the Railway Company in funds. I therefore beg that the orders may be modified in the sense indicated above.

ORDER—dated 13th December 1890, No. 2011 R., Public Works.

The Government is of opinion that the accounts in connection with the survey from Bezváda to Masulipatam should be audited by the Examiner, Public Works Accounts, Madras.

2. In modification of para. 2 of G.O., No. 1767 R., dated 11th November 1890, the Financial Department will be requested to place the sum of Rs. 7,150, therein referred to, at the disposal of the Public Works Department.

3. The Agent and Manager, Madras Railway, will then be placed in funds in the manner suggested by the Examiner, Public Works Accounts, in his office note recorded above.
