REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. The character conduct and past service of the applicant seem to have been such as to entitle him to pension as there is nothing on record against him. Having been found unfit for further specific service as will be seen from the accompanying Medical Certificate, the College recommends him for an Invalid Pension of Rs 5-5-6 under Clause (b) Section 109 of the Civil Pension Code.

2. Explanation of any suspension or degradation. None

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. None

5. Any other remarks. The transfer of the applicant on the 1st September 1877 from the post of Rs 30 to that of Rs 15 was restored to office, and consequently the applicant reverted to his permanent post of Head Jumastah at Verdaar.
2. The applicant attained the age of 55 years on the 1st April 1870. He was under post note 3 to Section 109 of the Civil Pension Code permitted to remain in the service till 25th May 1882. On the requisition of the Sub Collector the applicant was examined by the Tillah Surgeon who declared him on the 27th May 1882 to be unfit for further effective service.
3. The service claimed has been established and should be admitted. The service Book is herewith returned with a Leap Year Certificate.

Sir,

With reference to your application for pension on behalf of A. O. Soma Sundara Pillai, late 2 Gumastah, Kou Damangalam Sayer, I have the honour to request that you will be so good as to explain the circumstances under which Furlough leave on half pay was granted to the applicant with effect from 30th May 1881, when he was not entitled to it, as he had attained the age of 55 years (vide Section 45 of the Civil Leave Code). If the grant was made through an oversight, please inform this office, after reference to the Registered Rolls, as to the amount of leave allowances irregularly paid to him, in order that Government may be asked to decide as to whether or not the encashment of leave allowances

allowance should be recovered from the amount of any pension that may be sanctioned to him.

Your attention is also invited to G.O. No. 239 dated 16th March 1882 from which you will observe that Government expected all Heads of Offices to pay strict attention to the rules of the Financial Code in the matter of granting leave of absence to their subordinates. Presuming that the leave was granted through an oversight, it is not understood why endeavours were not made to cancel the furlough leave granted to the applicant, at least with effect from the date of receipt in your office of the above quoted G.O. -

Leave of absence of every description enjoyed by the applicant during the entire period of his service should be distinctly entered in his Service Book.

The undersigned has the honor to State that Sick leave on Medical certificate for 1 year was granted by the Acting SubCollector to A.O. SomaSundara Pillai from 30th May 1881 prior to the receipt of G.O. No. 239 dated 15th March 1882, Pension Department. After the receipt of that G.O, the leave was converted into Furlough by the same Officer, probably under the impression that there was no difference in regard to pay between Furlough and leave on Private Affairs which latter is permitted by Section 45 of the Civil Leave Code, as the SubCollector wished that SomaSundara Pillai should draw half pay for the period of the leave. As soon as the grant of the latter leave was communicated for publication in the District Gazette, exception was taken to it by the undersigned, and it is requested that the leave may now be considered as cancelled.

2. The amount of leave allowance paid to the applicant is Rs 89-4-5 as shown below:-

Half pay for 30th and 31st May 1881 at Rs 7½ per mensem.	Rs	11-7-9
Do - from 1st June 1881 to 30th April 1882 -	Do	82-8-0
Do from 1st to 26th May 1882	Do	6-4-8
	Total Rs	89-4-5

3 Leave of absence of every description enjoyed by the applicant during the entire period of his Service has been distinctly entered in the Service Book herewith returned. If the Sick leave converted in Furlough now under notice is cancelled, the applicant had no leave during the whole period of his Service except Privilege leave for 3 months from 4 May 1876.

by him as were passed subsequent to the issue of G.O. 15th March 1882 no 239 will be recovered from the pension now granted. All Heads of Departments should draw the attention of their subordinates in independent charge to the provisions of Sec: 95 Civil Leave Code & to G.O. 15th March 1882 no 239 in order that the hardships resulting to individuals from the unauthorised grant of leave may be avoided. The rule will be strictly enforced in future.

× So much because I think it is clear that G.O. 15th March 82 no 239 was not communicated to the Sub Collr. under whom this man was serving. Unless all officers in independent charge know of the intention of G.O. great hardship will result from the enforcement of the rule. Recovery here would swallow up 1½ years pension. They have the Code & guide them & we can't be perpetually drawing attention to particular provisions. Any extension has to be subordinate to the Code & we may make mistakes as well as others acquainted with the Code & that as a rule mistakes are not the result of pure ignorance.

What is the use of referring to G.O. 15 March 1882 N° 239. Does it say anything about what we have to do? Does it say anything about Para 2 G.O. 15 March 1882 N° 239.

Note for the Hon: Member:

The Acct Genl. does not check the nature or period of absence on leave granted by Heads of Departments to public servants on ministerial establishments. — see letter in G.O. 21st Feby 1876 no 367. The question was gone into before the Accountant General reported (para 7 of his letter in G.O. 8th Dec. 1881 no 1329 of which see para 4) that the leave applications of uncovenanted unpensioned officers are not audited by his Department. Hence the Head of the Department practically the leave has to be more careful & hence the suggested para which the Secretary disapproves as unnecessary. G.O. 8th Dec. 1881 no 1329 can be carried out without much hardship (Rs 10 odd) & it was thought well to show that Govt. meant to carry that G.O. out. If not in this case, where is it to have effect?
