From

ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE District Munsiff of
Tirunelveli

SIR,

In returning herewith the application for gratuity on behalf of *Dyasawany* and his service book received for verification with your letter No. 18862 of August 1882, I have the honour to state that the Applicant's service from May 1865 to 1875 and from 1880 to 1882 has been verified from the Annual Returns now secured in this Office and found to be correct. His service for the years from 1876 to 1879 has not been verified, as the Returns for those years are not forthcoming among the records in this Office. The service prior to 1st May 1865 cannot also be verified as the Annual Returns do not contain the names of individuals whose pay does not exceed Rs. 10 a month.

When

In No 1222

When submitting the final application, you are requested to furnish this office with copies of the list of your establishment for the years from 1876 to 1879 together with information on the following points:-

1. Why the period of leave enjoyed by the Applicant from 24th to 27th October 1870 has been rejected as non qualifying, while it counts as service for pension under Section 94 of the Civil Pension Code.

2. Why the amount of gratuity recommended to the Applicant has been calculated upon his average emoluments instead of upon his last pay as required by Clause (a) Section 117 of the Code. Rule 1 of the Section is not applicable to the present case.

As the age of the Applicant according to his own statement differs considerably from that mentioned by you on estimation and as it is far below 60 years, a Medical Certificate of unfitness for further service should be obtained and forwarded to this office along with the application as required by Section 103 of the Code. The application should be submitted by the District Judge who is the Head of your office.

I have the honor to be
Sir,
Your obedient servant
