Financial Department

N^o 10 G.

Fort William, the 15th Sept. 1862.

Read again the following papers regard-
ing the grant of gratuities to Public
Servants:-

Financial Despatch from the
late Court of Directors, N^o 38 of 1856, para 31.
Resolution N^o 1015, passed in this
Department on the 26th Feby 1858.
and published in Financial Notifica-
tion N^o 118 of the 10th July 1862.

Ditto — N^o — of 29th March 1862.

Resolution — Under the orders above
referred to, when an uncovenanted
servant is discharged in consequence
of the abolition of his office, he is
not allowed a gratuity until he
has been for six months out of
Government

Government employ, and then he receives it on the condition that the period of service for which the gratuity is granted is not again to be reckoned as service qualifying for pension in the event of his being re-employed. But it has been represented that the former of these rules is likely in some cases to operate with unusual hardship. His Excellency the Governor General in Council is therefore pleased to direct, that, for the future, when an uncovenanted servant is thrown out of employ by the abolition of his appointment, his claim to gratuity shall at once be considered and decided on; but instead of receiving in one sum the whole gratuity which may be sanctioned, he shall continue after his discharge to draw his salary from month to month until the amount of the gratuity

gratuity be exhausted. If he should in the meantime be readmitted to the Govt. Service he may be permitted either to draw the unexhausted balance of the gratuity on the understanding that his previous service will not be allowed to count towards pension, or to refund by convenient instalments the amount already paid to him and thus to recover the privilege of reckoning his service.

Order. Ordered that the foregoing Resolution be published in the Govt. Gazette, and that copies thereof be forwarded for information and guidance to the Departments, Govts. & Officers mentioned below:-
