Submitted to Government with the remark that it is clear from the observations
made by the Examiner Public Works Accounts that the Applicant remained in service in the
Public Works Department up to 31st December 1879 and that from 1st January 1880 he was trans-
ferred for employment under the Local Fund Board North Arcot. In G.O. No 193 dated
the 16th February 1881 Pension Department, Government resolved that the case of an Officer
who was in consequence of reduction of Establishment transferred from service in the
Public Works Department to service under Local Fund Board, should be regarded in the
same manner as the case of one whose service was paid partly from the Government intended
and partly from Local Funds. It follows therefore that by that order the Government are
to give the Officers of the former class, the same benefits in respect of pension as are
allowable to persons retiring from service under ordinary circumstances. The Applicant
having been removed from the service in consequence of extreme slowness in the execution of
orders given him, he would seem to be entitled to no retiring allowance under existing rules.

Certificate and report from D. C. GORDON, Esq., Examiner of Public Works
Accounts, dated Chepauk, 30th June 1882, No. 712-A.R.

Certified that qualifying service in superior grades in the *Public Works Department* has been duly proved for eight years and ten months, but that as the applicant was transferred for employment under the Local Fund Board, North Arcot, with effect from 1st January 1880, on pay (Rs. 20 per mensem), equivalent to that drawn by him while attached to the Public Works Department, any retiring allowance which he may be entitled to under existing orders must be considered and reported upon by the Accountant-General, Madras, as the pay and allowances of Local Fund Establishment are audited by that officer (*vide* also G.O., Pension Department, No. 193, dated 16th February 1881).

No. A.D.J-159.

Submitted to Government with the remark that it is clear from the observations made by the Examiner, Public Works Accounts, that the applicant remained in service in the Public Works Department up to 31st December 1879, and that from 1st January 1880 he was transferred for employment under the Local Fund Board, North Arcot. In G.O., No. 193, dated the 16th February 1881, Pension Department, Government resolved that the case of an officer, who was in consequence of reduction of establishment transferred from service in the Public Works Department to service under Local Fund Boards, should be regarded in the same manner as the case of one whose service was paid partly from the General Revenues and partly from Local Funds. It follows therefore that by that order the Government intended to give the officers of the former class the same benefits in respect of pension as are allowable to persons retiring from service under ordinary circumstances. The applicant having been removed from the service in consequence of extreme slowness in the execution of orders given him, he would seem to be entitled to no retiring allowance under existing rules.
