SIR,

With reference to your application for gratuity on behalf of M. Venkata Jogiah, late 2nd Gumastah, Deputy Tahsildar's office, Purlakimedi, I have the honour to request that you will be so good as to furnish me with information on the following points:—

(a) Why the applicant was granted leave on private affairs on half pay from 3rd May to 22nd August 1870 when he was not entitled to it, not having served for a period of 6 years from date of commencement of his service.

(b) Information as to the period from and up to which the applicant was absent without leave in consequence of which he was suspended from employment

employment for two months from 9th March 1881. From a note in the Service book, the applicant does not appear to have been absent without leave, he having been shown to have been on leave without pay up to the date preceding that from which he was suspended.

(c) Information as to the circumstances under which a Medical Certificate signed by an Assistant Apothecary was been considered sufficient instead of a Certificate signed by a Commissioned Medical Officer as required by the rules in the Civil Pension Code.

(d) The Certificate prescribed in No. 6 on the 3d page of the application should be furnished.

Dated Chatrapur 12th September 1882

Sir,

In reply to your letter dated the 19th July 1882 No. A D K/64 Pension Department in connection with an application for gratuity on behalf of Mosalikanti Venkata Jogiah, I have the honor to forward copy of the Principal Assistant Collector's letter dated the 29th Ultimo No. 397 on the same subject.

(a) It seems from para (a) of that letter that the leave on loss of half pay was apparently granted in violation of the Rules. He says that no records on the subject are forthcoming, explaining the circumstances under which such leave

was

was granted.

(b) From para (b) of the same letter it will be observed that the applicant was absent without leave from 9th March to 14th April 1881 and that on that date the order of Suspension was passed. The Principal Assistant Collector is of opinion that the Suspension order should come into force from 11th March 1881 on which date the then Principal Assistant Collector Mr Knox ordered the applicant either to resign his appointment or to produce a Medical certificate. In the application of gratuity received from the Principal Asst Collector and in that sent from ther Office 9th March is erroneously entered as the date of Suspension. I now request you will be good enough to alter it ~~in~~to 11th March. The two days 9th and 10th of March 1881 must have been considered as if he was on leave on loss of full pay. The period of Suspension which commences from 11th March 1881 will terminate on the 9th May 1881 at 30 days a month.

(c) The Principal Assistant Collector has been requested to send a Medical Certificate signed by a Commissioned Medical Officer, which will be forwarded as soon as it is received.

The certificate required in para (d) of your letter is furnished, and all the papers therewith received are returned.

Sir,

I have the honor to reply to your letter+ No. 1423/3153 dated 12th August 1882.

(a) It is not known why Mosalakunti Venkata Jogayya was granted leave on half pay when he was not entitled to it. The previous papers relating to the grant of the leave are not forthcoming either in my Office or in that of the Deputy Tahsildar Parlakimedi. The leave was apparently granted in violation of the rules.

(b) The applicant was first grante 2 months leave on loss of full pay of which he availed himself from the 9th November 1881. On his application an extension of two months was

was granted which expired with the 8th March 1881. Instead of joining on the 9th he sent a petition dated 7th and received on the 9th March 1881 asking for a further extension of two months. On the 11th he was ordered by Mr. Knox, the then Acting Principal Asstt. Collector either to produce a medical certificate at once or to resign his appointment. He did neither, but submitted a petition on the 8th April 1882, stating that the Medical Officer had promised to give a certificate if the Principal Assistant Collector required it. On this Mr. Knox suspended him for two months for absence without leave remarking that if he had failed to obtain a certificate he ought to have joined on the 11th March 1881. The order of suspension was passed on the 14th April 1882. Under these circumstances I think the suspension order may be held to count from March 11 the date on which Mr. Knox ordered

him to produce a medical certificate or to resign.

(c) A medical certificate from the Assistant Apothecary was sent by mistake and a fresh certificate signed by a Commissioned Medical Officer will be obtained if necessary.
