GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Superintending Engineer, Fourth Circle, dated 3rd May 1882, No. 97.

Certificate and report of the Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, dated Madras, 30th September 1882, No. 743-A—R.

Certified that qualifying service in superior grades in the Public Works Department has been duly proved for twelve years, ten months, and ten days, and that, as the applicant was transferred for employment under the Local Fund Board, North Arcot, with effect from 1st January 1880, on the same pay (Rs. 60 per mensem) as that drawn by him while attached to the Public Works Department, any retiring allowance which he may be entitled to under existing orders must be considered and reported upon by the Accountant-General, Madras, as the pay and allowances of the Local Fund Establishment are audited by that officer (*vide* G.O., Pension Department, No. 193, dated 16th February 1881).

Report of the Accountant-General, Madras, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 26th October 1882, No. A.D.J.-293.

Submitted to Government, with the remark that it is clear, from the observations made by the Examiner, Public Works Accounts, that the applicant remained in service in the Public Works Department up to 31st December 1879, and that, from 1st January 1880, he was transferred for employment under the Local Fund Board, North Arcot, Vellore Circle. In G.O., No. 193, dated the 16th February 1881, Pension Department, Government resolved that the case of an officer who was, in consequence of reduction of establishment, transferred from service in the Public Works Department to service under Local Fund Boards, should be regarded in the same manner as the case of one whose service was paid partly from the General Revenues and partly from Local Funds. It follows, therefore, that by that order the Government intended to subject officers of the former class to the same restrictions in respect of pension as are imposed upon persons retiring from service under ordinary circumstances. The applicant having been removed from the service for "continued disobedience to orders and extreme remissness of duty," he would seem to be entitled to no retiring allowance under existing rules (*vide* Section 51 of the Civil Pension Code, 5th Edition).

Petition from M. MOONESAWMY NAYUDU, late Local Fund Overseer, North Arcot Taluk, dated 30th October 1882.

ORDER—dated 14th November 1882, No. 1093, Pension.

The applicant having been removed from the service for "continued disobedience to orders and extreme remissness in the execution of his duty," no retiring allowance will be granted to him.

Since then he appears to have called on you personally and explained all his difficulties, so that it will be useless for me to say any thing more than reiterate my last recommendation of him as an intelligent, and hard working person, and one who will I am sure render satisfaction if promoted to the grade of Taluq Overseer.

VELLORE RANGE OFFICE,

This is to certify that M. Moonusawmy Naidoo, Local Fund Overseer of the Wallajah Range North Arcot District was temporairly posted to the Vellore Range for preparation of Estimates and Supervision of works damaged by the Cyclone of 2nd May 1872. Of the Overseers then at my disposal Munusawmy Naidoo prepared his Estimates much better and more correctly. He served under me for about 7 Month and during this period he discharged his duties satisfactorily. He has risen in the Department from Apprentice of old. As the Apprentices have been trained at the expense of Government I should consider it to the interests of Government that the services of Munusawmy Naidoo should be utilized in the best manner as possible. I also learn that his claims to promotion as Taluq Overseer have often been overlooked notwithstanding favorable reports from the officers he has served.

Copy of letter from the Executive Engineer North Arcot Division to the Superintending Engineer 4 Circle No. 201 dated 29 April/82.

With reference to the enclosed copy of letter from the Examiner P. W. Accounts, I have the honor to submit an application for pension on behalf of M. Moonisawmy Naidu late Sub Overseer North Arcot Division.

2. The reason of termination of the applicant's service in the Local Fund is recorded in the application.

3. It will be observed, that owing to the applicant having absented himself without leave for 2 days in the month of July 1864, his claim to service in the Department previous to that period is vitiated. If necessary, it may be recommended to be treated as "leave without allowances" under Section 93 rule 7 of the Pension Code, but whether this is commuted or not, the superior service of the applicant irrespective of the

Copy of letter from the Executive Engineer North Arcot Division to the Superintending Engineer 4th Circle No: 954 dated 15th August 1882.

I have the honor to retransmit the Pension application now revised to gratuity application of M. Munisamy Naidu late a Sub overseer 1st Grade, in the North Arcot Division returned with the Examiner's letter copy of which is herein enclosed, and to give information as follows, on the points contained therein.

(a) Munisamy Naidu secured a lien on his Substantive appointment of Monegar Palar Anicut, while employed as a Temporary Draftsman in the Vellore and Chingleput Ranges. This is clear from the Salary bills of the late Wallajah Range from August 1867 to November 1868. These bills shew that, the Substantive appointment of Munisamy Naidu as Monegar, was filled temporarily only by one Vadaghery Moodeliar. On his death, and on the appointment of M. Munisamy Naidu as a Sub Overseer 1st Grade in the Wallajah Range, it was given permanently to Gulam

nabby Sahib, with effect from the 3rd September 1868. The orders of the Superintending Engineer appointing the applicant as a Sub Overseer, is dated 3rd September 1868; but the appointment took effect only from the date of joining, viz 27th November/68, as will be seen by a reference to the Salary bill of the L. F. Petty Establishment of the Wallajah Range for the month of November 1868.

If required copies of the bills above referred to will be supplied. There is no correspondence forthcoming on the Subject.

(b). The Service of Munisamy Naidu as an apprentice is removed to the Column "Period not reckoned as Service". His total Superior Service amounting therefore, to 13 years 11 months and 24 days. In consequence of the applicant being entitled to gratuity only, a Confidential report as prescribed by Section 99 Rule 3 of the Civil Pension Code has been obtained and is here to attached, and necessary corrections have been made in the application.

(c). The applicant was employed in the Vellore Circle of the L. F. Board North Arcot District.

The sub Overseer does not appear to be entitled to the pension for which the accompanying application is forwarded, he having been dismissed from the Local Fund service in February 1881 for continued disobedience of orders and extreme remissness of duty and moreover the applicant has not borne a good conduct during the time he was employed in the P. * In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.

If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.

The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—

(*a*) whether the applicant was in *permanent* employ of Government.

(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.

The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85, C. P. Code.

Remarks by Head of Office.

1. As to character and past conduct of applicant. — I can only form an opinion of this man's character from the Notes recorded by Officers under whom he has served. All these report unfavorably of him and his dilatoriness, & some of his unfitness for the post of Sub Overseer.

2. Explanation of any suspension or degradation. — None

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it . . . . . . }† — Dismissed from Local Fund Service "for continued disobedience to orders" "and extreme remissness of duty"

As this man was provided with an appointment under the Local Fund Board of equal value to that he before held I do not consider he has a claim to pension. ×

* If the Applicant has received any gratuity or pension, here state the amount of gratuity or pension granted, the authority under which sanctioned, and whether on re-employment the gratuity has or has not been refunded and the pension ceased to be drawn.

† If the applicant is recommended for a pension or gratuity as compensation for abolition of Office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government, in respect to the cost of the abolished appointment, has been produced. *Vide* Rules 1 and 6, Section 59 of the Civil Pension Code.

× I certainly do not agree in this opinion, as the man is dismissed from L. Funds & the present applicatn is for Govt. pension.

Submitted to Government with the remark that it is clear from the observations made by the Examiner Public Work accounts that the applicant remained in service in the Public Works Department up to 31st December 1879, and that from 1st January/80, he was transferred for employment under the Local Fund Board North Arcot, Vellore Circle. In G.O. No 193 dated the 16th February/81 Pension Department, Government resolved that the case of an Officer who was in consequence of reduction of Establishment transferred from Service in the Public Works Departmt to Service under Local Fund Boards, should be regarded in the same manner as the case of one whose service was paid partly from the General Revenues and partly from Local Funds. It follows therefore that by that order the Government intended to subject Officers of the former class to the same restrictions in respect of pension as are imposed upon persons retiring from service under ordinary circumstances. The applicant having been removed from the service for continued disobedience to orders and extreme remissness of duty," he would seem to be entitled to no retiring allowance under existing rules - vide Section 51 of the Civil Pension Code 5th Edition.
