Madras. 27th October 1882.

From, T. Weir Esq.,
Registrar of the High Court
of Judicature at Madras.
To, The Honorable C. G. Master,
Chief Secretary to Government.

Sir, I am directed to forward for the
Orders of Government the accompanying
letter dated 12th October 1882, no. 407,
from the District Judge of North
Tanjore, and to request that under
the circumstances represented, the
application for gratuity on behalf
of Thiruvengadath Iyengar may
be complied with.

I have the honor to be,

Sir,

Your most obedient servant,

Registrar,
Appellate Side.

District Court of North Tanjore.
Tranquebar, 12 October 1882.

From, The District Judge of
North Tanjore

To, The Registrar of the
High Court of Judicature,
Madras

Sir, I have the honor to state as follows the case of Thiruvengadathienagar, late a Gumnastah in the District Munsif's Court of Tranquebar, and to request that Government may be moved to pass such orders as may be deemed necessary.

As appears from his Service Register, Thiruvengadathienagar was in the service of Government from 30 April 1857 till 31 March 1879, employed as a Gumnastah in the said District Munsif's Court. On the introduction

of the revised scale of establishments of April 1879, his services were dispensed with, the District Munsif and the District Judge having considered him to be unfit for service on the score of his handwriting being shaky and indistinct. His application for gratuity was then forwarded for verification to the Accountant General which was accordingly done. As, however, the Certificate of the Medical Officer before whom Thiruvengadathienkar appeared for examination went to show that the officer could not be discharged as being permanently incapacitated for further service by bodily or mental infirmity, Mr. Hughesdon, the then Acting District Judge, disposed of the application for gratuity in the manner set forth in his Proceedings dated 12th August 1879, N^o 30, an extract of which is herewith enclosed. Thiruvengadathienkar having refused to accept the post of Munir to which he was appointed by the said Proceedings, such refusal was considered as a resignation of his

5
appointment and the matter came to a close on the 22nd August 1879. Thiruvengadathienkar appears to have been since practising as a Vakil in the Tranquebar Munsif's Court, and in his application to me dated the 31st July last, he complained of the smallness of his income as Vakil and prayed for re-employment in the Government Service. I am not in a position to comply with his request, but am, however, of opinion that his application for gratuity should have been submitted for the orders of Government under G. O. dated 3rd September 1877, N^o 479, Pension Department, whereby the right to reject such applications is wholly reserved to the Government. Should the Government be pleased to consider that there is, under the circumstances above set forth, any ground for granting the application for gratuity, the necessary correspondence

of
dropped in August 1879, will be
resumed and the requisite papers
submitted in accordance with the
rules.

I have

Proceedings of the District Court of
North Tanjore, dated 12th August 1879.

Read Arzi from the District Munsif
of Tranquebar dated the 28th July 1879, forwarding
the applications for Pension on behalf of the
x and 3rd Goundalabs of his Court.

The applications of these two men for
pension and gratuity respectively, have been
considered by me in connection with the
Government rules on the subject.

It seems clear to me that it would be useless
to submit these applications to Government as the
rules require the production of a Medical Certificate
which the Apothecary in charge has refused

x x x x
as for Thiruvengudatha Iyengar he is unfit for the
position of Goundalab, as his hand writing, whether
it be in consequence of old age or of disease
or of infirmity is tremulous and indistinct.
The Medical Officer certifies that he suffers
from a nervous affection of both hands. He
will be appointed to the vacant post of Amin
in the Tiruvallur Munsif's Court.
