GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the Acting Third Member, Board of Revenue, in charge of the Revenue Settlement Department, dated 1st September 1882, No. 2150-57.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 26th October 1882, No. A.D.J.-295.

Certified that service in superior grades from 6th July 1865 to 31st October 1873, after deducting breaks and periods of non-pensionable services, has been duly proved for three years, one month, and one day. But considering how frequently the applicant's services had to be dispensed with owing to want of work in so short a period as eight years, it seems very doubtful whether the appointment which he held could be regarded as really substantive and permanent. The doubt is further confirmed by the remarks of the Deputy Director, Revenue Settlement, entered at foot of the history of service in which he says that it did not appear to him that the applicant's services were such as to entitle him even to gratuity.

Moreover, the loss of the applicant's appointment in October 1873, which is attributed to the completion of works in certain parts of the Kistna District, was due to an order issued by the then Acting Sub-Collector in charge of the Revenue Settlement Department of that district, and not by any higher authority such as the Local Government as seems to be contemplated by the Civil Pension Code. If Government, however, are pleased to accept the abovementioned order as sufficient to justify the admission of the claim for a compensation gratuity, the applicant may be granted a gratuity not exceeding Rs. 90, equal to three months' pay, under Sections 100 and 109 (*a*) of the Civil Pension Code, 5th Edition.

The particulars required by Rules 1 and 6 under Section 100 of the Civil Pension Code are given by the Deputy Director of Revenue Settlement in his remarks opposite to No. 4 on the third page of the application.

The delay of nine years in the submission of this application is also explained by the abovementioned officer at foot of the second page of application.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Order—dated 15th November 1882, No. 1105, Pension.

The Government consider the applicant is not entitled to any retiring allowance.

Final Endorsement passed on Petition from Kesanupalli Kistnayya late Head Sarandar

On examination of the Service register forwarded by Petitioner it appears that his service ~~is~~ is not without breaks except the period of one year and one months he has ~~lastly~~ utterly served as Head Sarander which even does not entitle him to gratuity.

Petitioner is informed that under these circumstances there appears nothing to be considered by the Dy Director, especially as this application was made after four years from the date of his discharge from service.

REVENUE SETTLEMENT

To

The Honourable Members of the Madras Gov

The humble Arzi of Kesanupalli Krishnayya late Head Jaramdar attached to the late Kistna party, now residing in the village of Seetammapet of Ellore Taluq Godavery District

I was employed both in the regular Revenue line and in Revenue Settlement party working in the Kistna District for a space of 15 years and 27 days and well managed to work during that time. The Revenue operations coming to a close I was thrown out of m of 30 Rs: per mensem, on the 1st of November 1873. hitherto desirous to enter into Government service again, not getting any post I have now given up this idea as am weak and verging on old age.

On the 5th December 1877 I have petitioned the Director, Revenue Settlement, requesting to recommend for the reasonable amount of gratuity, with reference to total service entered in my Service register which I enclosed therewith as I was very much distressed for the want of means of livelihood. He without considering the justice of my claim, returned my Service register, with his endorsement No 392 dated 3d January 1878 on which together with the above endorsement and

with me the various original Orders which corroborate the entries in my Service register. However it would appear from the remarks made in my Service register that the breaks here and there in service have been caused by reduction of Establishment by the Government but not from any fault on my part.

Respecting the grant of gratuity I have petitioned Honorable Board on 16th December 1880 and no endorsement has been received as yet though it is 11 months now.

I Pray to grant me gratuity due to me.

SIR,

With reference to the application for Gratuity on behalf of K. Krishnayya, late a Head Classifier in the Kistna Settlement-Party, received with your Endorsement-No. 2150/57 dated 1st September 1882, I have the honor to enquire whether the applicant's services subsequent to the date of his re-employment viz. 1st March 1867, were all rendered in appointments of a permanent-and pensionable nature or merely in Extra or Temporary Appointments. If they were rendered in the former class of appointments, you are requested to explain how the applicant's services were dispensed with in the absence of an order of Government sanctioning the revision of the Establishment or the abolition of applicant's own appointment. A mere Takeed from the Head of an Office to a subordinate intimating that his services would be dispensed with from such a date does not seem to be sufficient ground to admit of a claim for Compensation Gratuity.

I.

I shall feel obliged by your informing me if there were any precedents for admitting the present claim.—

2. The class of records from which the applicant's entire services have been verified should be entered in the column "How verified" in the 2nd page of the application. This Office has not actually verified the services but simply confirmed the original verification made by your Department.

No. 185/295 Certified that Service in Superior Grades from 1st July 1865 to 31st October 1873, after deducting breaks and periods of non pensionable services has been duly proved for 3 years 1 month and 1 day. But considering how frequently the applicant's services had to be dispensed with owing to want of work in so short a period as 8 years it seems very doubtful whether the appointment which he held could be regarded as really substantive and permanent. The doubt is further confirmed by the remarks of the Deputy Director of Revenue Settlement entered at foot of the history of service, in which he says that it did not appear to him that the applicants services were such as to entitle him even to Gratuity.

Moreover the loss of the applicants appointment in October 1873, which is attributed to the completion of works in certain parts of the Kistna District, was due to an order issued by the then acting Sub Collector in Charge of the Revenue Settlement Department of that District, and not by any higher authority such as the Local Government as seems to be contemplated by the Civil Pension Code. If Government however can pleased to accept the abovementioned Order as sufficient to justify the admission of the claim for a Compensation Gratuity, the applicant may be granted a Gratuity not exceeding Rupees 90 — a equal to 3 months pay under Section 100 and 109 (a) of the Civil Pension Code 5th Edition.

The particulars required by rules 1 & 6 under Section 100 of the Civil Pension Code, and given by the Deputy Director of Revenue Settlement in his remarks opposite to No 4 on the 3rd page of the application.

The delay of 9 years in the submission of this application is also explained by the above mentioned officer at foot of the 2nd page of application.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code:-

applicant served from 1859 to 1863 & resigned
Hence his service believed those years
does not count & it is not
competent to Govt. to condone the
periods of non employment, long
& frequent, under the code (1st edition)
in force at the time.

He has but 3 yrs odd qualifying
service when to his credit up to
1873 when his appointment was
abolished.

The Acct. Genl. thinks no gratuity is
due because

(i) owing to the number of times his
services were dispensed with, it is
not likely his post was in fact a
permanent one.

(ii) The abolition of his appt. was
by the settlement officer not by Govt.

Letter 7th October 1882

As to (i) in 1878 the Dy: Director declined to forward his application for ~~pension~~ gratuity – other papers so to show he's appt: was not really of a permanent nature.

The Director however says it was that it is usual for the Department to dispense with men who are not wanted when work is finished in a district without reference to Govt: – the instances are ~~such cases~~ similar to that of the applicant in which gratuity was given. If the Director is right (i) + (ii) } fall to the ground. objections }

The two precedents marked support the Director's view.

The delay is due in part to non-application by the applicant for 4 years after he was got rid off. In these circumstances is gratuity of Rs: 90 to be passed?
