To

The Right Honorable

Mount Stuart Elphinstone Grant Duff

Governor in Council

Fort Saint George -

The most humble & respectful

Petition of Ramasamy Naidoo,

Peon belonging to the Taluk Cut-

-cherry of Negapatam Taluk -

District of Tanjore.

Most Humbly Sheweth,

Your Lordship's Petitioner, though in an humble station of life, and poor, ventures most respectfully to approach your Lordship's feet, and prays that this representation of his hapless condition after a long servitude of 40 years under this Government, without a blemish upon his character & conduct, may evoke some sympathy in his behalf for the closing years of life - & may God bless your Lordship's Govern-
-ment for this charitable condescension.

That when the Sub Collector of Tanjore lately passed an order directing the Petitioner to retire upon pension on account of his old age, that Officer made a recommendation in his behalf for a gratuity; & the Govern-
-ment were pleased to order four months pay to be given as such Gratuity. And the Petitioner too has been called upon by the Tahsildar to receive the same. But he is unable to accept this

gratitude, the Petitioner, feeling that he suffers from a failure of justice, after a lengthened service as above stated, now humbly prays, that the said order may be reconsidered with especial reference to such service, as well as the recorded opinions of those superiors under whom he has served.

The Petitioner was first entertained as Peon in the Keenalore Taluk on the 1st of May 1840 in which he served for 20 long years. He ^{the place} ~~was afterwards~~ appointed Police Constable in March 1860 wherein he continued for four years and was constrained to resign the post in consequence of his wife's extreme illness which led to his soliciting leave of Absence which was refused him - Subsequently, he was taken on as Maistry by the Tahsildar of Negapatam in superintending the Construction of the Public Civil Dispensary - this situation, however, being only of a temporary character, is not included in the service list. Petitioner was afterwards entertained as Tappal Peon on 5 Rs per mensem, and this post being too arduous, he was compelled to resign, after working two years, and accept the situation of Vigarippaokaren on 3 Rs: salary and from this he was transferred to a Peon's place in the Negapatam Taluk Cutcherry upon a salary of 6 Rupees per mensem. And, old age with its attendant infirmities are not yet so apparent and visible as to disqualify him for active duty; nor is the Petitioner blessed with a Son to take his place and support

him in the decadency of life - He therefore makes this earnest prayer to your Lordship that he may not be forced to retire for some time longer; or, should this be deemed impracticable, that he may at least be allowed a pension, if upon no other ground, at least in consideration of his having exceeded by ten years, the limit allowed to public servants generally; added to his approved conduct as recorded by Superiors. And Petitioner shall ever pray -
