TANJORE, 18th November 1881

Certified that I have carefully examined Francis, Rascar D. P. W. Executive Engineer son of Santhianoo in the Tanjore District His age is by his own statement 43 years, by appearance about 50 consider Francis to be completely and permanently incapacitated for further active service of any kind in consequence of a large Hernia of the right side - His incapacity does not appear to me to have been caused by irregular or intemperate habits.

me this day and asserts that he
as Lascas
was employed from 1864 under
Sub Engineer Mr. [unclear]
who was in charge of N. 3 Range
Chugaput District and after-
wards under Sub Engineer Mr.
A. H. Mann who was also in charge
of that Range. He says he left
his employment in March 1871
to find one in his native town
Tancin. He produced a certificate
given him by Mr. A. H. Mann
dated 13th March 1871. This
shows that the above statement
is correct.

He also asserts that he was
re-employed in the Lake Tancin
Range in Sept 1871 by Charles
Montgomery; to this effect
he produced a certificate
