Rs. 6 80 yrs: 60.6.6
 $\frac{32}{}$
 Rs: 211.6.9

with advantage. The value of a pension of Rs: 3.8 to a man of his years by the Tables is but Rs: 211.6.9. Most men of over ~~80~~ years would rather keep Rs 103/8 they have got.

He has not asked for the pension: it will be a very doubtful boon if he gets it: a reference to India will be required.

Submitted that the Examiners letter of the 30th June 1882 current no 717 be recorded and further action taken in the direction contemplated by para 2. 8th Jan 82. no 43
 74/18/7. 15-7-82

There is no need for action
for as contemplated in the case

3rd Circle No. 689/83. dated 31st January 1882.

Adverting to para 2 of the Proceedings
of Government in the Pension Department
No. 43 dated the 18th January 1882, a copy of
which has already been communicated to
you I have the honor to request that
such further steps as you may
consider necessary may be at once
taken for obtaining more definite
information by affidavit, evidence of
contemporary servants &c as regards
Toikh Beg's alleged service of 37 years
in the Military Engineering Department
prior to 1857 and for tracing out the
number and date of the order of Govern-
ment sanctioning the gratuity, the result
of the further references should be reported
to this office.

Copy of letter from the Superintending
Engineer III Circle to the Examiner P. W.
Accounts N^o 493 dated 22nd June 1882.

With reference to your letter N^o 689
S. E. 3rd, dated 31st January 1882, I have
the honor to inform you that the number
and date of the Government order, sanction-
ing gratuity to Lascar Voith Beg for
the alleged service of 37 years in the
Military Department, cannot be traced;
no records relating to the Military
Engineering Department exist in the
Superintending Engineer's or in the Bellary
Division office.

2. Copies of the testimonials, granted to
Voith Beg by Lt. Porter in 1870 and by
Colonel Fischer in 1880, are enclosed; beyond
this he is unable to produce any other
evidence in support of the alleged service,
as he is too old and has lost his memory.

3. It would appear that the several testimo-
nials that were in his possession were
destroyed accidentally by fire.

Bellary 18th September 1870^a

This is to certify that Vijat Beg has been about (45) Forty five years in the service, 32 Thirty two of which he was employed as a permanent Government Peon on the Military Buildings Establishment at Bellary from which he was discharged in 1857 (with a gratuity) owing to reduction of Establishment, I have known him for (16) sixteen years, he has served as peon and Lascar. I can confidently state a more honest ^{sober} and willing servant I have not known, and can strongly recommend him to any officer requiring a person of his class to put into any place of trust in a situation of which description I have employed him for several years -

[sig] N. Porter Lieut.
Executive Engineer

Bellary 18th June 1880.

The bearer Voith Beg entered Government service as a Peon in 1820 under Captain Hutkenson and from that time served various Military Engineers of the Station as under viz -

Captain Luke

" Smith

" Boileau

" Wallis

" Brewer

" Barrow

" Bathington

and when the Military Engineer's office was abolished in about 1857 his services were dispensed with, on payment of gratuity of 6 months salary.

Since then he was again taken as a Peon in the Engineer's office P. W. D. and is holding the same berth up to date for about 23 years past and his character and conduct throughout has been most satisfactory and exemplary -
