I have the honor to regard the certificate regarding the personal prospects of life of Mr. James Ambrose as directed according to the scale in Table A Appendix C. B. P. scale the gratuity will only purchase a trifling pension of Rs. 6-15-0 which would be insufficient to maintain the Ambrose. The said Ambrose did 17 years good work and lost his health from exposure in the course of his duty & I think this is a case in which the strict operation of the rule would cause serious hardship, I have the honor to request that Government may be moved to allow

Sir.

In submitting herewith for
orders of Government, an application
for invalid gratuity on behalf of
Mr. J. James late Head Surveyor,
No I Party, Madras Survey, together
with a certificate in respect to the
normal prospects of his life, I have
the honor to enclose copy of letter
No 149 of the }
31st March 1882 } from the Dy Superintendent, No I Party,
requesting that Government may be
moved to allow a gratuity to be paid
to him instead of a pension. I trust
that Government will be pleased to
grant this indulgence.

2/ Mr James has been most hard-
working throughout his service &
has been employed in some of the most
unhealthy parts of this Presidency. He

has done first rate work and has borne an excellent character and I quite agree with the Deputy Superintendent in thinking that "this is a case in which the strict operation of the rule would cause serious hardship." I am moreover of opinion that the good service done by Mr James during 17 years of his life deserves some consideration at the hands of the Government.

3/. His Service Book is herewith sent together with a verified statement of his services and the Medical certificate furnished by him.

by the Civil Surgeon, Coimbatore it is apparent that the applicant has not the normal prospects of life in consequence of leprosy. He is therefore, under Section 99, Rule III, entitled to a pension only instead of a gratuity, & the pension calculated in accordance with the scale given in Table A, Appendix E, of the Code is Rs 6. 14. 9. a month, which therefore is all that may be sanctioned to the applicant under the provisions of the Code. Should Government, however, be pleased to accept the strong recommendation of the Superintendent, Revenue Survey, & to grant to the applicant a gratuity in lieu of a pension, overruling the Authority quoted above, it is respectfully requested that that grant may be reported to the Government of India in the Financial Department for previous confirmation.

3 In accordance with Rule IV under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Order dated 19th May 1882 No 461 Pension

Under Sections 99, Rule III, 102 & 109 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr Isaac James Lane, late Head Surveyor, N I Duty Indras Survey, an invalid pension of Rs (6. 14. 9) Six Annas fourteen and pice three per mensem, payable at Coimbatore from 25th January 1882.

That your Lordship's

of Rs Six Annas fourteen and Nine
pies in lieu of a gratuity, as re-
commended by the Deputy Super-
intendent N^o 1 Party Madras

Small pension.

That your Lordship's petitioner did 17 years of hard and good Service during which time he suffered extreme exposure in the performance of those duties. He was entertained in the Madras Revenue Survey on the 2^d of June 1864 at an early of 16 years, and for two years he was in the Madras Central Office, both doing duties as a Draughtsman and qualifying himself for Surveying. After the lapse of this period he was transferred to the N^o 1 Party Niligiri Branch, as a Surveyor.

That your Lordship's petitioner worked on the Niligiri Hills for 6 years, during which period he worked in many unfrequented places of those hills, and in the course of his duties as a Plane table Topographical Surveyor traversed some parts of Wynaad, Sheppakadu Musnagudi and Seegoor valley places.

places, famous for malaria or jungle fever, and to which he fell a victim during this period

That your Lordship's petitioner was afterwards sent to work in the Low country and from the year 1873 up to the date of his retiring he had been entirely and absolutely employed in Topographical Survey work in the Districts of Coimbatore Salem and North and South Arcot chiefly in very hilly tracts excluded from Survey operations, such as those in Kollegal, Annamalais (in the vicinity of Talanjü) Palamalais and the Burgur ranges also on the Kullarayan Hills, Yellagherry Hills, in the excluded tracts of the Denkhikottai Division, and those of the Dorampuri and Pichally Taraff, all extremely malarious

That your Lordship's petitioner although in a bad state still performed the quantity of work exacted by the Department
and

and to the satisfaction of his Superior Officers. or may be seen from his Service register, and the Deputy Superintendent's letter N^o 142 dated the 31st March 1882 to the Superintendent of Madras Survey

That your Lordship's petitioner did not contract his illness by any irregularity or intemperate habits, but by exposure, — hard work and fatigue, and irregularity of food in unhealthy localities, as can be seen from the accompanying Medical certificate of the Civil Surgeon of this Station

That your Lordship's petitioner, has not the strength or vigor to procure or do any work either in Government or Private business for the remainder of his life and which might tend to help his maintainance and thereby mitigate the positive hardship which will be felt on the small grant of an invalid pension of Rs 6-14-9

That your Lordship's petitioner refers to a Provision of the Civil Pension Code Section 99 Rule 3, in which it is stated. "It is not intended that this Rule should be employed indiscriminately, and the Government of India will be ready specially to consider any cases in which its strict operation would cause serious hardships, and on this Provision, your Lordship's humble petitioner begs consideration, requesting to be specially recommended to the Government of India, and which has not been done before the Sanctioning of an invalid pension to your petitioner

That your Lordship's petitioner in hopes of obtaining a countermand of the order granting only an invalid pension in lieu of gratuity, has not as yet drawn any instalment of the said pension, and has communicated this for the information of the Pension disbursing officer, in case of any misunderstanding in future.

That your Lordship's
petitioner under these circumstances
is induced humbly and respectfully
to solicit that the hardships which
will positively ensue by granting
an invalid pension, in lieu of a gra-
tuity, may be kindly viewed, and
his case favorably represented as
a special one to the Government
of India, in order to move that
Government to sanction under the
Provisions of the Civil pension Code
Section 99 Rule 3, a gratuity, in lieu
of an invalid pension, so that he may
be able to procure those means of
sustaining life, otherwise your Lord-
ship's petitioner will be reduced to
the very extremest poverty, imag-
inable for which act of Charity
and Benevolence, your humble
petitioner, as in duty bound will
ever pray

SIR,

In forwarding the enclosed Memorial from late Head Surveyor Mr. J. J. James, I have the honor to inform you that I consider his case a peculiarly hard one.
