From
H. J. Foghtman Esq.
Off: Accountant General.

To
The Secretary to Government
Pension Department
Cottamund.

Sir,

With reference to the Proceedings
of Government No. 499 dated the 27th May
1882, sanctioning the grant to Bannampally
Venkataramudu, late a 2nd Class Constable
No. 235 of the Cuddapah Police Force, of
an Invalid Gratuity of Rupees 91-0-0, I
have the honor to state that from the corres-
pondence printed in the above quoted G.O.,
it is clear that the Constable was reported
by the Native Surgeon Cuddapah on the
27th March 1882 to be unfit for further service
and that he died on the following day.
But there is nothing in the correspondence
to show that the Constable himself applied
for a Gratuity before his death, or that
the Pension Department was contemplated
the payment from the Government and was to
be made for the Native Surgeon
to be paid to him. It would appear on
the face of the matter that the Native Surgeon intended

the Constable entirely on his own motion
and that the Constable had not retired
or been formally removed from the service
before his death. Under these circumstances,
I beg respectfully to state that in my
opinion the grant of the Gratuity which
has been sanctioned to him is not autho-
rized by the Civil Pension Code, the last
sentence of rule 2 section 172 of which,
provides that if an Officer dies before
actually retiring or being discharged,
his heirs have no claim to anything in
respect to the Officers pension.

I have the honor to be,

Sir,
