PENSION DEPARTMENT.

READ—again—

G.O., dated 21st April 1882, No. 362, Pension.

READ—also the following papers :—

From H. W. BLISS, Esq., Commissioner of Salt Revenue, to the Accountant-General, dated Madras, 28th April 1882, No. 4257 :—

I have the honor to forward, for disposal, an application for a retiring pension of Rs. 33 per month to B. Ramachandra Row, First-grade Sub-Inspector in this Department, together with his service book.

2. It will be observed that the applicant served in the Devasthanam establishment of the Chingleput District from the 28th April 1856 to 8th May 1857. By an oversight the applicant's name was not included in the list of individuals whose service in the Devasthanam establishment was ordered to be reckoned towards pension under Government of India's letter, No. 388, dated 25th January 1879, communicated in G.O., No. 120, dated 13th March 1879. As without the service above referred to the applicant is not entitled to a retiring pension, a reference was made to Government through the Board of Revenue, and it was ordered that his pension application should be submitted for sanction, and that he should be retained in the service pending its disposal (*vide* G.O., No. 362, dated 21st April 1882, Pension Department).

3. A last pay certificate will be forwarded on the applicant's retirement from the service.

Certificate and report from the Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 23rd June 1882, No. A.D.J.-95.

Certified that (subject to the remarks below recorded) qualifying service in superior grades up to 30th April 1882 has been proved for thirty years and six months, and that a retiring pension not exceeding Rs. 33-0-11 per mensem, equal to half average emoluments, would have been admissible to the applicant under Sections 107, 109 (c), and 112 of the Civil Pension Code, if he had been permitted to retire from the service from that date.

2. It will be seen from the history of service that the applicant rendered a period of service of one year and eleven days viz., from 28th April 1856 to 8th May 1857, on the Devasthanam establishment of the Chingleput District. This period could be admitted towards pension if the applicant's name were included in either of the two lists received from the Government of India with their Nos. 388, dated 25th January 1879, and 1919, dated 23rd July 1881. But the Commissioner of Salt Revenue, in his letter, No. 4257, dated 28th April 1882, accompanying, explains that by an oversight the applicant's name was not included in the first list. No reason is, however, assigned for the omission of his name from the supplementary or second list. Should Government be pleased now to obtain the sanction of the Government of India for the admission, in the applicant's case, of the service rendered on the establishment named above, his total pensionable service will exceed thirty years, and he

will be entitled to the retiring allowance above mentioned ; otherwise his pensionable service on the present date will fall short of thirty years by about five months, and he will therefore not be entitled to any pension at all unless his incapacity for further service be duly established by a medical certificate as required by the Civil Pension Code.

3. The applicant has not yet retired from the service, but this report is submitted in accordance with the instructions contained in G.O., No. 362, dated 21st April 1882.

Memorandum from the Acting Under Secretary to Government, Pension Department, to the Commissioner of Salt Revenue, dated 11th July 1882, No. 58.

With reference to the pension application submitted on behalf of B. Ramachendra Row, Salt Superintendent, Vallur, Chingleput District, the undersigned is directed to request the Salt Commissioner to report whether there is any objection to his retention in the service till the 11th November 1882. By an oversight his name was omitted from either of the lists of ex-Devasom Gumastahs in the case of individuals entered in which the Government of India allowed service on that establishment to count for pension. If, however, he serves till the 11th November next, his service, exclusive of that rendered on the Devasom establishment, will amount to thirty years.

(Signed) J. D. REES,
Acting Under Secy. to Govt.

From H. W. BLISS, Esq., Commissioner of Salt Revenue, to the Secretary to Government, Pension Department, dated Madras, 25th July 1882, No. 7575.

With reference to Official Memorandum, No. 58, dated 11th July 1882, received from the Acting Under Secretary to Government, Pension Department, I have the honor to inform you that I have no objection to retain Sub-Inspector B. Ramachendra Row in the service till the 11th of November next. His own wish is to retire ; but as there will be but little hard work for him to do between now and November 11th, it will be no great hardship for him to be called on to serve on.

ORDER—dated 18th August 1882, No. 756, Pension.

Baitnugger Ramachendra Row will be retained in the service till he completes thirty years' service and qualifies for a retiring pension.

Two copies of the pension application submitted on behalf of B. Ramachendra Row, Salt Dept. Vellore District. The undersigned is directed to request the Salt Commr. to report whether there is any objection to his retention in the service till the 11th Nov. 1882. As an oversight, the name was omitted from the list of the persons to be considered in the case of individuals. It is noted that the Salt Dept. has allowed service on that date to count for pension. It is however to be noted that the 11th Nov. 1882 is the date when the service was terminated.

The Salt Commr. is requested to report on the 11th Nov. 1882.
