GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers :—

From the Vice-President, Local Fund Board, Vellore Circle, dated 18th March 1882.

Certificate and report from the Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 21st July 1882, No. A.D.J.-135.

Certified that qualifying service in superior grades has been duly proved for twenty-one years, ten months, and twenty-three days, but that no retiring allowance is admissible under the Rules of the Civil Pension Code for the reasons assigned below.

2. It will be observed from a perusal of the accompanying papers that the applicant having been found to be inefficient for the post of Inspecting Schoolmaster, it was proposed by the Local Fund Board, Vellore Circle, to remove him from the appointment, placing in it another person better qualified than the applicant. Accordingly a proposition was submitted to Government in September 1881, involving the creation of an additional Deputy Inspectorship for the Vellore Range on pay of Rs. 60 per mensem. This proposition was sanctioned by Government in their Order, No. 310, dated 22nd September 1881. It is apparent from the abovementioned facts that the applicant's appointment was not abolished in consequence of "reduction of establishment" in the sense of the term used in Section 100 of the Civil Pension Code, but that the abolition was rendered necessary merely because the applicant was found to be unequal to the duties of the post he held.

3. Section 51 of the Code prescribes that a pension may not be granted to a person who has been removed for misconduct or inefficiency, while Section 100 states that no pension or gratuity may be granted to a person the abolition of whose appointment does not produce a real saving to Government. Attention is especially invited to the note under Rule 6 of the latter section. Under these circumstances, it seems clear that the present application for a compensation pension cannot be entertained.

4. The delay in the submission of the application is explained by the Deputy Inspector of Schools in his note at foot of 3rd page.

5. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 18th August 1882, No. 758, Pension.

The applicant's pension papers, together with the Accountant-General's report, will be transmitted to the President, Vellore Local Fund, with an intimation that, if possible, some suitable employment should be found for this individual to enable him to put in sufficient service for a superannuation pension.
