His age is, by his own statement, Fifty one years, and by appearance about 55 years. I consider Makarla Bhaskara Row Naidu to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of General Debility and Bronchitis Chronic.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.

If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.

The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—

(*a*) whether the applicant was in *permanent* employ of Government.

(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.

The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85, C. P. Code.
