Sir,

In submitting the application of Nayanappa Mudaliar, Head Muchi of the Collector's office for a gratuity in accordance with the requirements of the Civil Pension Code, I have the honor to state that according to the Proceedings of the Madras Government Financial Department dated 16th August 1869 No 362, this old man would be eligible to a pension as he has been permanently employed and in receipt of pay above 10 Rupees per mensem.

2 He says that if he had Continued

as a Vaccinator he would have got a pension, and that when he took the Moochi's place he thought he would still be entitled to pension. He was first appointed as Muchi on the 24th June 1857. What he says is, no doubt, true. His case is a hard one, and though I have submitted the application as for a gratuity (that being in accordance with the meaning of the Code), I should be glad to learn that he might submit a revised application for a pension.

Certified that I have carefully examined Poonamally Nainappa Moodelly, Son of Poonamally Veerasawmy Moodelly Mootchi in the Collector's Office, Cuddapah, his age is, by his own statement, 60 years, and by appearance about 65 years. I consider Poonamally Nainappa Moodelly to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs in consequence of old age and infirmity.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Declaration made on 9th August 1882, by Poonamali Nayanappa Modaliyar late Head Munshi of the Cuddapah Collector's office & now retired from service.

I was attached as a vaccinator to the Cuddapah Collectorate from 17th May 1853 to 23d June 1857. I remember having taken no leave whatever that would cause a break during that period. But I have no record in support of my statement. So far as I know & remember, I can declare that I took no leave during that period.

I have neither horoscope nor any other papers to show the date & month of my birth. But I have heard my elders say that I was born about the month of June 1822.

I am now about 60 years old.

I have heard my declaration.
It is Correct.
