GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—again G.O., dated 31st October 1881, No. 1115.

READ—also the following paper :—

From J. G. HORSFALL, Esq., Collector of the Kistna District, to the Chief Secretary to Government, Pension Department, dated Masulipatam, 7th June 1882, No. 1229.

With reference to G.O., No. 1115, October 31, 1881, I have the honor to submit a memorandum showing pension cases pending in this district.

2. In addition to the above cases one application is said to be lying over in the Head Assistant Collector's office, which was lately received in the Huzur for verification. It has since been returned for further information.

3. It is to be regretted that the delay in the disposal of these applications hitherto ascribed to this district is, in all cases, due to Heads of offices ordering the retirement of their subordinates before ascertaining whether their services have previously been verified or not.

4. To prevent future delays strict orders have been issued by my predecessor to the Divisional Officers to the effect that no officer is to be ordered or allowed to retire until his services are completely verified.

ORDER—dated 9th September 1882, No. 839, Pension.

The statement submitted by the Collector does not, in the case of the first four applicants for pension, show when they retired from the service and how long their pension applications have been under consideration, and being on that account obviously useless is returned for amendment.

2. Rule I, Section 126, of the Civil Pension Code (5th Edition), should not be lost sight of.
