G. D. No 283 dated 20th March 1869
1 Endorsement with enclosure
Returned with enclosures

Adverting to your endorsement on petition of V. Ramaswamy late a Taluk Overseer's writer in No 3 Range Godavari District. I have the honor to forward, in original a letter from the Executive Engineer in charge of that range from which it will be observed that the writer had actually altered the figures in the taluk overseer's Cash and Station books of previous payments made to Coolies and thereby exhibited an incorrect balance of Cash in hand overseer's Pay & Cash balance Statement for July 1868. Under the circumstances reported by Mr Rundall it was deemed necessary to dismiss the taluk overseer's writer.

No 600

From the Ag. Superintending Engineer 1st Division to the Secretary to Government P. W. D. dated Vizagapatam 5th June 1869 No 966.

With reference to your endorsement of the 5th ultimo on the petition of the Taluk Overseer's writer V. Ramaswamy on the papers

therewith

therewith connected. I have the honor to forward a further report on the facts of the case received from the officer in charge No 3 Range Godavari accompanied by an explanatory letter from Jaluq Overseer Bay of the circumstances which led to his making certain corrections in the rough petition of the writer.

2. I quite Concur in the opinion expressed by Mr Randall that the fact of Mr Bay having corrected the draft copy of this writer's petition is no proof of the petitioner's statement that the alterations in the accounts prepared by him were not wilfully made but had occurred through great pressure of work or that Mr Bay sanctioned the alterations.

3. Mr Bay will be warned not to assist in any way any subordinate whose Conduct he has had to bring to unfavorable notice.

No 601 Order thereon 28th June 1869 No 2087

Establishment No 78

It appears from these papers that V. Ramaswamy who was employed as a writer under Mr Bay a Jaluq Overseer in No 3 Range Godavari District was dismissed under the following circumstances.

2. In July 1867 Ramaswamy having brought to Mr Bay's notice a difference of

1 Rupee which he had discovered when writing up the Cash book was instructed to charge the amount to Nagapudi Channel Mr Bay having paid that amount for a rope but omitted to enter it in his accounts. The overseer asserts that he directed the writer to debit "materials" while the latter debiting "labour" made certain alterations in the accounts Mr Bay does not seem to have taken care to see that the debit was properly made and the range officer viewing the alterations in the light of a falsification of accounts directed the writer's dismissal which was subsequently confirmed by the Superintending Engineer, Ramaswamy is further reported to have also charged the accounts of another work with the rupee in question but this is not urged as a ground for his dismissal.

3. On a careful consideration of the case the Government looking to the insignificance of the amount involved to the circumstances under which its entry in the accounts was erroneously made and to the fact of the writers immediate superior having thought so lightly of the matter as to leave last the writer assistance in preparing his explanations of it see no reason to believe that fraud was intended or at the most anything more than carelessness can be imputed. Ramaswamy has served for upwards of twenty years and the Government are not of opinion that the irregularity

irregularity he committed in making a wrong entry in his Station book under a misapprehension of the orders he had received from his Superior can justly be visited upon him so heavily as by dismissal from the public Service. His Excellency the Governor in Council therefore resolves to request the Superintending Engineer to make arrangements for restoring him to his former situation or for providing him with a post of equal emolument elsewhere.

Copy of Memo from the Superintending Engineer Godavari to the Officer in charge Eastern D. Division No 159 dated 17th April 1877.

In forwarding the accompanying original documents to the Officer in charge of Government Workshop for his perusal and return, the undersigned has the honor to draw his attention to the 4th para of the Chief Engineer's Memo and to inform him that he considers a reduction of the Establishment unavoidable. He therefore requests that Lieutenant Rawson will be good enough to arrange for carrying out the reduction proposed by Mr Joyce from Monday next the 23rd Instant and to report at his convenience after giving the subject full consideration what further alterations should be made now that the prospect of large orders for the Shop is so very unfavorable.

Major Beatty very much regrets having to issue an order which will throw good workmen out of employ, but he has unfortunately no option and can only

only promise to provide for them elsewhere as opportunities occur, so far as may be practicable according to the rules.

It is hoped that a place will be found for writer Ramaswamy in the changes about to be made in the Central Delta, and Shroff Venkataratnam should be replaced in his old position on the Anicut Establishment.

Note on Pension No. 849 of 82

Sir,

The results arrived at by me differ from those of the Examiner of Public Works Accounts for this reason— The Examiner calculates applicants' qualifying service from 1st April 1873 and accordingly applies the provisions of Section 111 of the Civil Pension Code to the petitioner's allowance. He rejects applicant's service from 18th April 1866 to 20th August 1867 a period of 1 year 4 months and 3 days in consequence of his dismissal on 20th August 1867 and because no mention is made in the order of 28th June 1869 No. 2087 ordering his restoration, that his past service should count.—

2 I have given the applicant the benefit of this service as the order of 1869 would seem to imply, that his past service should count and because there is nothing to prevent Government permitting such service to count under Section 97 Rule 2 of the Code—

No. 599. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 10th April 1869, No. 115.

1 Letter from Executive Engineer, No. 3 Range, Godavery, No. 283, dated 20th March 1869.
1 Endorsement, with its enclosures.
* Re-transmitted with enclosures.

Adverting to your endorsement* on the petition of V. Ramasawmy, late a Talook Overseer's Writer in No. 3 Range, Godavery District, I have the honour to forward, in original, a letter from the Executive Engineer in charge of that Range, from which it will be observed that the Writer had actually altered the figures in the Talook Overseer's Cash and Station Books, of previous payments made to coolies, and thereby exhibited an incorrect balance of cash in Talook Overseer Bay's cash balance statement for July 1868. Under the circumstances reported by Mr. Rundall it was deemed necessary to dismiss the Talook Overseer's Writer.

No. 600. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 5th June 1869, No. 966.

* Herewith returned.

1 Original petition, with translation and Government endorsement.
1 Do. addressed to Captain Ryves, R. E.
1 Do. with Mr. Rundall's original Memorandum, No. 366, dated 21st August 1867, and a rough petition to Mr. Rundall, together with an endorsement from Government.
1 Original letter from Mr. Rundall.
1 Do. to Government, No. 115, dated 10th April 1868.
1 Do. from Mr. Rundall, No. 220, dated 31st May 1867.
1 Do. explanatory letter from Overseer Bay, No. 18, dated 26th May 1869.

With reference to your endorsement of the 5th ultimo on the petition of the late Talook Overseer's Writer V. Ramasawmy and the papers* therewith connected, I have the honour to forward a further report on the facts of the case, received from the Officer in charge of the No. 3 Range, Godavery, accompanied by an explanatory letter from Talook Overseer Bay of the circumstances which led to his making certain corrections in the rough petition of the Writer.

2. I quite concur in the opinion expressed by Mr. Rundall, that the fact of Mr. Bay having corrected the draft copy of his Writer's petition is no proof of the Petitioner's statement that the alterations in the accounts prepared by him were not wilfully made, but had occurred through great pressure of work, or that Mr. Bay sanctioned the alterations.

3. Mr. Bay will be warned not to assist in any way any subordinate whose conduct he has had to bring to unfavorable notice.

No. 601. Order thereon, 28th June 1869, No. 2,087.

ESTABLISHMENT, No. 78.

It appears from these papers that V. Ramasawmy, who was employed as a Writer under Mr. Bay, a Talook Overseer

in No. 3 Range of the Godavery District, was dismissed under the following circumstances.

2. In July 1867 Ramasawmy, having brought to Mr. Bay's notice a difference of 1 Rupee which he had discovered when writing up the Cash Book, was instructed to charge the amount to the Naggipudi channel, Mr. Bay having paid that amount for a rope but omitted to enter it in his accounts. The Overseer asserts that he directed the Writer to debit "materials" while the latter debiting "labour" made certain alterations in the accounts. Mr. Bay does not seem to have taken care to see that the debit was properly made, and the Range Officer, viewing the alterations in the light of a falsification of accounts, directed the Writer's dismissal, which was subsequently confirmed by the Superintending Engineer. Ramasawmy is further reported to have also charged the accounts of another work with the rupee in question, but this is not urged as a ground for his dismissal.

3. On a careful consideration of the case, the Government, looking to the insignificance of the amount involved, to the circumstances under which its entry in the accounts was erroneously made, and to the fact of the Writer's immediate superior having thought so lightly of the matter as to have lent the Writer assistance in preparing his explanations of it, see no reason to believe that fraud was intended or, at the most, that anything more than carelessness can be imputed. Ramasawmy has served for upwards of twenty years, and the Government are not of opinion that the irregularity he committed in making a wrong entry in his Station Book under a misapprehension of the orders he had received from his superior can justly be visited upon him so heavily as by dismissal from the public service. His Excellency the Governor in Council therefore resolves to request the Superintending Engineer to make arrangements for restoring him to his former situation, or for providing him with a post of equal emolument elsewhere.

Pension No. 849/1882

From The Examiner of Public Works

Dated the 27th July 1882.

FOR ORDERS.

The Examiner returns the applicants services as Y. 10. 7.

He rejects Y. m. d. 1. 4. 3 because the appeal was dismissed.

Govt. reinstated him: but did not in express terms under sec: 97 (2) Civil Procedure Code say declare his past service was to count for pension.

Shall the period service count or not?

It makes a great difference. If it is counted sec: 11 C.P. code does not come into force for service of applicant in that case began before 20th Jany 1871 + gratuity of Rs: 225 is due.

If it is not counted sec: 11 abstains for next qualifying service beg and after 20th Jany 1871 + the gratuity will have to be multiplied by 2/30 and Rs: 60. 13. 4 only will be due.

On the one hand it must be
said in justice to the heirs
of the applicant that the
tenor of the S.O. shews Govt.
did not think his offence
a very serious one, & that they
very likely meant post omnia to count.
On the other hand, in justice
