Madras, 20 September 1882.

From. J. Keir Esquire,
Registrar of the
High Court of Judicature at Madras.

To, The Honorable C. G. Master,
Chief Secretary to Government.

Sir,
I am directed to forward
for such Orders as Government
may think called for, an application
for gratuity from one Naria Raja,
late a process server in the
Court of the District Munsif of
Shujali (North Tanjore).

I have the honor to be,
Sir,

Your most obedient servant,

cr. 367.

District Court of North Bujore.
Mangalore, 14th September 1882.

From,

The District Judge of
North Bujore.

To The Registrar of the
High Court of Judicature,
Madras.

Sir,

With reference to G. O. No. 479, dated
3rd September 1877, Pension Department,
I have the honor to request that you
will be good enough to submit the
following case for the Orders of Government.

One Nania Rajah, late a Process Clerk
in the District Munsif's Court of Sheally,
has put in a petition to this Court stating
that he had been employed as a Process
Clerk in the above Court for a period of
about 28 years from 10th July 1854 to
15th June 1882. When owing to failing health,
he resigned the service in favor of his brother
in-law who was appointed in his place,
and prayed that in consideration of his

long and faithful service, he may be recommended to Government for Pension or gratuity whichever he may be entitled to under the Pension Rules.

2. On referring the application to the District Munsif for report, he states that although the applicant is entitled only to an invalid gratuity of three months pay under Section 117 of the Civil Pension Code, his conduct is such that he is not deserving of any consideration at the hands of Government, he having been guilty of uttering a falsehood which induced the Munsif to confer the appointment on his brother-in-law.

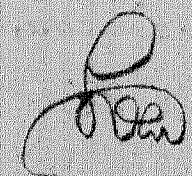

3. I enclose a copy of the Munsif's report for the information of Government, and shall submit a formal application for gratuity on behalf of Ramia Rajah, should Government be pleased to view his case in a favorable light.

I have etc

Sir,

In reference to the endorsement of the District Court dated 15th Instant made on the application of Rayanna Rajah late Process server No. 16 of this Court, praying that he may be recommended for Pension or Gratuity, I beg respectfully to report that his service before August 1873 when the Rules for the revision of the Pratta Establishment came into force was not

a Qualifying one, because the Establishment was theretofore paid only by fees levied from the parties by themselves. vide Section 86 of the Civil Pension Code. His subsequent Service amounts only to 9 years and I consider under Section 17 of the same Code, he may be entitled to an invalid gratuity of 3 months Pay.

I have however to bring it to the notice of the Court that the applicant stated in his application dated 17th June last, herewith forwarded requesting that his appointment should be conferred on one Ellappa Raja his brother-in-law, (the party

now holding it), that he was a very poor man and that there was no one but his nominee to protect him and his family. He did not then apply for Pension or gratuity which he has now applied for in the application under reply, wherein, in repeating his assertion of poverty and large family, he has again cautiously omitted, as he did in his former application, mentioning that he has a son employed as a Peon in the District Court, as I now understand.

I think that applicant has stated a lie in his former application made

to this Court in view to in-
duce it to comply with his
request in favor of his
brother-in-law, and that
his conduct may not there-
fore be such as to entitle
him to the bounty of Govern-
ment.

The application is returned
herewith.

I have &c.
