GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the President, Local Fund Board, South Arcot, dated 24th March 1882.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department (through the Secretary to the Board of Revenue), dated Fort St. George, 12th August 1882, No. A.D.J.-180.

Certified that qualifying service in superior grades (subject to the admission of the service claimed in the affidavit of the applicant) has been duly proved for nineteen years, seven months, and fourteen days; and an invalid pension not exceeding Rs. 6 per mensem, equal to one-third average emoluments, is admissible under Sections 102 and 109 (*b*) of the Civil Pension Code, 5th Edition.

2. It will be seen from the accompanying papers that the applicant's service was paid partly from the General Revenues and partly from Local Funds. Rule 1, Section 83, of the Code prescribes that any retiring allowance, admissible to an applicant paid as above, should be debited according to the Rule of Proportions. But Government in their Order, No. 1719, dated the 14th September 1881, Financial, resolved that Medical Officers and Vaccinators lent to Municipalities or Local Fund Boards should count service for pension from Government without payment of the pensionary contribution. Hence it would appear that the applicant's pension should be wholly borne by the General Revenues.

3. The delay in the submission of the application is explained by the President, Local Fund Board, in his remarks opposite to No. 5 on the third page of the application.

4. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Proceedings of the Board of Revenue, dated 23rd September 1882, No. 7403.

Order—dated 10th October 1882, No. 958, Pension.

Under Sections 102 and 109 (*b*) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Chidambaram Gurusamy Naidu, late First-class Vaccinator, South Arcot District, an invalid pension of Rs. (6) six per mensem, payable at South Arcot from 28th November 1881, in consideration of his qualifying superior service of nineteen years, seven months, and fourteen days.

2. The whole of this pension will be debited to General Revenues.

Certified that I have carefully examined Gooroosawmy Naidoo son of Iyaloo Naidoo a 4th Class Vaccinator in the Vaccination Dept. S.A. His age is, by his own statement, 50 years, and, by appearance about 50 years. I consider Gooroosawmy Naidoo to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Cardiac disease. His incapacity does not appear to me to have been caused by irregular or intemparate habits.

From
H. F. Clogstoun Esq.
Offg. ACCOUNTANT-GENERAL
TO THE GOVERNMENT OF MADRAS,

To
THE President, Local Fund Board,
South Arcot.

SIR,

With reference to your application for pension on behalf of C. Gooroosamy Nayadu, late a 1st Class Vaccinator, South Arcot, I have the honor to enquire as follows:-

(a) Why in the application the applicant is shown to have been employed as 2nd Class Vaccinator on pay of Rs. 10-8-0 a month from 20th February 1861, while from the Annual return of 1st May 1864 on record in this Office, he would seem to have drawn pay at Rs. 7-0-0 from 16th April 1864 to 31st January 1865.

(b) By whom the Establishment bills of the Vaccine Department in which the applicant was employed from April 1866

to

to August 1868 were audited. The Audit Registers for 1866 and 1867 on record in this office do not contain the Establishment, and the one for 1868 proves that the audit was conducted by this Office only from August 1868.

Since the Applicants Service up to April 1871 was paid from the General Revenues, and thereafter from Local Funds, the pension admissible to him, will need to be debited to those heads according to the "Rule of Proportions". Please therefore be good enough to forward a Memo of calculation showing the debits, prepared in strict accordance with rule 1, Section 83, and the definition of the term of "Rule of Proportions" as prescribed in the Civil Pension Code.

It is presumed that the transfer of the management of the Vaccine Establishments to the Local Fund Boards was arranged with effect from April and not from May 1871. Your attention is drawn to this point. The particular Local Fund Circle which should bear the charge should also be intimated.

Sir,

With reference to your docket No 360 dated 10 June 82, I have the honor to inform you that the records of the past years are not in this office but they were sent to the Vaccine Depot, Madras. I have only records from the year 1877, hence there is no means for verifying late Vaccinator Guruswamy Naidu's services. If an application be made to the Deputy Inspector of Vaccination in charge of the Vaccine Depot, the services of the Vaccinator alluded to may be verified there.

SIR,

With reference to your remarks recorded opposite to No. 5 on the 3rd page of the application for pension on behalf of Chidambaram Gurusamy Nayadu, late a 1st Class Vaccinator, Chidambaram Circle, to the effect that the applicant's entire service has been established by Office records and should therefore be admitted, I have the honor to draw your attention to the accompanying documents received with your letter No. 40 dated — June last, from which it is apparent that the applicant's service from 1866 to 1868 has not been satisfactorily established either by the records of this Office or those of the District Offices. I have to request therefore that

you

you will be so good as to make further reference to the proper authorities in view to the above period of service being regarded as pensionable. If the result of the references be unfavorable, I would suggest that the course laid down in rules 5 and 6, Section 127 of the Civil Pension Code, be followed.

I have further to point out that the period of service from 1st April 1864 to 31st January 1865, during which the applicant is stated to have held an appointment in an inferior grade on pay of Rs 7 a month, should be shown in the column headed "period not reckoned as service" & the necessary alteration should be made in the 2d page of the application which is herewith returned.

The undersigned has the honor to state that as regards the applicant Vaccinator Chidambaram Gurusamy Naidu's service from 1866 to 1868, a further reference has been made to the Deputy Inspector of Vaccination in charge of Vaccine Depôt Madras who states in the accompanying copy of his letter that the records relating to the above period were not received at the Vaccine Depôt and consequently he is unable to verify the service of the applicant. As it has been found impossible to verify the service of the applicant, an affidavit which was taken from him by the Temporary Deputy Magistrate is herewith sent accompanied by a certificate given by the Superintendent of Vaccination Tanjore circle and produced by the applicant in proof of his having served for a period of 3 years in the Tanjore Circle. The undersigned is of opinion that from the Certificate produced by the applicant and the testimony of a contemporary servant given before the Temporary Deputy Magistrate, the service claimed by the applicant from 1866 to 1868 may be admitted.

(In the Regr for 66 & 67 the Vaccin Dept is not shown for 66 / it is shown for Aug 65

Service from 1st January /57 to 19th Feby/61 es not count for pension being rendered in Infe ior appointments.

Service from 20th February 61 to 31st March/66 nd from Sept/68 to 27th Novr/81 has been verified partly from the records of the Vaccine Deptt and artly from those of the Office of the President Local Fund Board Cuddalore Circle. The verification has been confirmed by reference partly to the annual eturns and partly to the Audit Registers on record n this office.

The service from April 1866 to August/68 annot be verified from office records, but it as been admitted on the strength of the affidavit the applicant and the evidence afforded by a tificate granted to him by the Supdt of Vacci ation Tanjore Circle in August 1868–

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. The character, Conduct and past Service of the applicant are such as to entitle him to Pension, as there is nothing on record against him. Having been found unfit for further active Service as will be seen from the accompanying Medical Certificate the President recommends him for an Invalid Pension of Rs 6-0-0 from the 28 November 1881 under Clause (b) Section 109 of the Civil Pension Code.

2. Explanation of any suspension or degradation. None

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. None.

5. Any other remarks. The delay in the Submission of this application was unavoidable. The Service Book was received from the Deputy Inspector of Vaccination only on the [illegible] January [illegible] and had to be returned [illegible] for verification. It was received from him finally on the 9 February 1882 [illegible] identification being taken only on the [illegible] Instant. The Service claimed has been established and should be admitted. The Service Book is sent with [illegible] Certificate

[illegible] SIGNATURE.

2P CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No $\frac{ADV}{180}$ Certified that qualifying Service in Superior Grades (Subject to the admission of the service claimed in the affidavit of the applicant) has been duly proved for 19 years 7 months and 14 days; and an Invalid pension not exceeding Rs 6-0-0 per Mensem, equal to ⅓rd average emoluments ~~will be~~ is admissible under Sections 102 and 109 (b) of the Civil Pension Code 5th Edition.

It will be seen from the accompanying papers that the applicant's service was paid partly from the General Revenues and partly from Local Funds. Rule 1 Section 83 of the Code prescribes that any retiring allowance admissible to an applicant paid as above, should be debited according to the Rule of Proportions. But Government in their Order No 1719 dated the 14th September 1881 Financial resolved that Medical Officers and Vaccinators lent to Municipalities or Local Fund Boards, should count service for pension from Government without payment of the Pensionary contribution. Hence it would appear that the applicant's pension should be wholly borne by the General Revenues.

The delay in the Submission of the application is explained by the President Local Fund Board in his remarks opposite to No 5 on the 3d page of the application.

In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Under sec: 83 rule 1 of the code pensions are debitable proportionately as service is rendered to Govt. or L. F. B.

But under G.O. Fin. 1719 dated 14th Sept 1881 vaccinators enrolled as officers of Govt. & serving under a L. F. B. counts as Govt. service & not as Foreign service: that is, such service falls within the exception provided for by sec: 10 cl: 6 of the Pension code.

Hence, says the examiner the whole pension is debitable to General Revenues. The Board agree & it is submitted there ~~[illegible]~~ is no question they are right.
