Read the following:—

From the Private Secretary to the Right
Honorable the Governor. No. 48. 2nd August/62.

Memorial from Mr. M. A. Sabab to the
Chief Secretary to Govt. No. 47. 31st July/62.

Order thereon No. 2453 Wd/21 September/62.

On perusal of the
Correspondence connected with the
foregoing memorials, the Govern-
ment find that Mr. M. A. Sabab
held the appointment of Store Keeper
in the Superintending Engineer's Office
of the Division, on a salary of Rs 50
per mensem from the 1st July 1863
to the 12th July 1864, on which date
he was reduced on account of
inefficiency, to a lower post of Rs 40
per mensem. On the 1st March 1865
or nearly 8 months afterwards,
he was suspended and subsequently
dismissed.

dismissed, but in G.O. No 1679 of 28th May 1866 the Government directed his reinstatement in his former post.

The petitioner in his present Memorial considers that he should have been restored to Rs 50 per mensem, and he prays for difference of pay from the 12th July 1864 to the end of his service in December 1877, but it is observed that the Government did not interfere with his reduction in July 1864, and that his re-employment on Rs 40 was specially reported to, and confirmed by Government in G.O. No 2791 dated 3rd September 1866. Under these circumstances the claim is inadmissible.

2. Again on the 31st December 1871, the petitioner was removed from the Service on a gratuity under the 55 years order, but as an act of grace, subsequently, the Government directed that opportunity should be taken in the

30 the reorganization of the P.W. Department to reemploy him in one of the new offices for the period of time necessary to qualify him for a pension. The only appointment then found available for him was a clerkship on Rs 35 per mensem, and this post he held from the 1st December 1872 to the 31st December 1877. The petitioner now prays for full pay at Rs 50 per mensem from 31st December 1871 to the 30th November 1872; for difference of pay between Rs 35 and 50 from 1st December 1872 to the 31st December 1877; and for pension calculated on a salary of Rs 50 per mensem.

3. It has however been shown in para 1 of this order that Mr. Cabrab can prove no title to a salary of Rs 50; and as it was only by special indulgence that he was reemployed and enabled to earn

earn a pension at all, the Govern-
ment must decline to consider
his claim to a higher rate of
pension and arrears of pay for
the period he was unemployed.

4. The petition is therefore
rejected.
