13TH OCTOBER 1882, No. 965, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Inspector-General of Registration, dated 19th July 1882, No. 2322.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 13th September 1882, No. A.D.J.-241.

Certified that qualifying service in inferior grades has been duly proved for seventeen years, two months and twenty-six days. But as the revision of the establishment sanctioned in G.O., No. 2487, dated the 5th December 1881, Judicial Department, whereby the applicant's services were dispensed with, did not produce a saving to Government as required by Rule 6, Section 100, of the Civil Pension Code, 5th Edition, and by the circular by the Government of India, No. 1690, dated the 22nd July 1878, printed as a foot-note to that rule, but on the contrary involved an increase of expenditure of Rs. 35 per mensem, no gratuity would seem to be admissible under the Code.

2. The delay in the submission of this application is explained by the Inspector-General of Registration in his reply to the office No. A.D.K.-82, dated 17th August 1882, accompanying.

ORDER—dated 13th October 1882, No. 965, Pension.

The Government observe that the applicant's appointment was not abolished. The new and the old scale provided for "a sweeper." No retiring allowance can therefore be granted, and the Registrar should reconsider his order, which was probably passed without due consideration of its effect.

Govt. by G.O. Sec. 81 no 2487 sanctioned a reorganisation of the Madras Registrar's Office at an increased cost.

But it is submitted for the reasons given in para II of this note Govt. were obliged to abolish this woman's app't. & on 10th the Registrar should come pointing out the result of his action & asking if he still desires to discontinue with the applicant's services.
