Copy of letter from the Examiner -
On Accounts to the Superintending Engineer
3^d Circle No. 149 SE³ dated 5th September 1882.

With reference to your endorsement
No 907 of the 26th August 1882, I have the
honour to state that as the Draftsman
Ruthra Modellian did not signify
his willingness to refund the gratuity
received by him and cancel his past
services for future pension immediately
on reemployment as required by Section
176 Rule 1 of the Civil Pension Code,
the approval of Government in the
Pension Department to his being allowed
to do so now appears necessary. The refund
will have to be made from such date
as may be fixed by Government.
