## GOVERNMENT OF MADRAS.

## PENSION DEPARTMENT.

Read—the following paper:—

Certificate and report from the Examiner of Public Works Accounts, to the Acting Under Secretary to Government, Pension Department, dated Madras, 28th September 1882, No. 742-A.R.

Certified that, should Government be pleased to treat the entire period of the applicant's services as qualifying on the strength of his affidavit, &c., as also on the specific opinion of the Head of Office that the service claimed is established and should be admitted, qualifying service in inferior grades will amount to sixteen years, eight months, and twenty-four days; but, that as his incapacity for further service was not duly established by a medical certificate, no retiring allowance of any kind appears admissible (*vide* Section 102, Rule 1, Civil Pension Code).

Order—dated 17th October 1882, No. 990, Pension.

The applicant's services were dispensed with in September 1879, and as his alleged incapacity was not supported by a medical certificate, no retiring allowance can be passed to him. The Government note with disapproval the excessive and inexcusable delay which has occurred in submitting this application.

### Retiring Allowance.

Declining to grant any — to R. Varadappa, late Lascar, Guntúr Division.

Copy of letter from the Superintending Engineer 1 Circle to the Examiner P. W. Accounts Madras No 89 dated 9 April 1881.

I have the honor to forward the gratuity application with the Service Book of Raghavarapu Varadappah, Lascar in the Guntur Division whose services were dispensed with on the afternoon of the 24 September 1879, his age being above 55 years.

2. The lascar was on the permanent establishment and came on to the Petty Establishment under G.O. No 3674 W dated 18 September 1878.

3. In the enclosed preliminary application which was prepared in the former Guntur Division Office, it is remarked that the applicants' services have been verified from Pay Bill Books and acquittances, but pay bill books cannot be found

among the records and therefore an affidavit and the statement of a contemporary servant are sent in support of the service.

With reference to your letters quoted in the margin I have the honor to resubmit the Gratuity papers of A. Varadappa, late a Lascar of the late Guntur Division with the information required in your letter first quoted.

Para 1. There does not appear to have been any order of Government dispensing with the Lascar's services, and the only letter on the subject of his services having been dispensed with, seems to be No 414 P.S of the Superintending Engineer of the late 1st Circle dated 16 June /79, a Copy of which is herewith sent for information.

Paras 2 and 6. On receipt of your letter under reference the lascar was directed to appear before the Civil Surgeon, Guntur for a certificate, but it is now stated that the lascar died a year ago.

Paras 3 and 5. Extract of a letter from the Executive Engineer Nellore, which contains the statements of M.R. Ry C. Sambiah Setty Garu, retired Sub Examiner of the late Guntur Division under whom he served, is herein enclosed in place of a revised affidavit &c, as all and the only information that could be had.

I send up the papers as if a gratuity is due to the late lascar, it should of course be paid to his heirs.

Extract from the letter Nº 54 of February 1882 from the Executive Engineer of Nellore to the Superintending Engineer, 2nd Circle.

× × × 11 2/2

From the Sub Engineer's letter the Lascar appears to have been on the permanent Establishment of Government during the whole term of his service up to 24th September 1879.

As Palnad Range lascar on Rs 7 till about May 1878, and on the abolition of that Range, as Guntur Sub Division lascar, on Rs 6. The different kinds of leave he has had are detailed on the 2nd page of his Service Book, it is believed there is no interruption in his service. The lascar is reported to have died a year ago.

With reference to your letter No. 335/N.L. dated the 27th ultimo, forwarding the gratuity papers of retired lascar Varadappa, I have the honor to point out that in the Extract of the Executive Engineer's (Nellore Division) letter received with the papers, it is stated that the lascar was on receipt of Rs 7 per mensem, till about May 1878 while in the application for gratuity, he is shewn to have drawn the above rate only till 30th June 1871. Please state which of the two dates is correct.

With reference to your letter No. 107 dated the 22 March last, requesting further information for the disposal of the Gratuity papers of retired Lascar Raghavanapu Virabakka, I have the honor to state that, the date given in the application for Gratuity viz 30 June 1874, as the period up to which he is shown to have drawn his pay at the rate of Rs 7 per mensem, should be regarded as correct. The extract of the letter from the Executive Engineer, Nellore Division sent to you, was based upon information received from retired Sub Engineer Tambiah Chetty Garu under whom he served. It is probable that the Sub Engineer's statement that, the Lascar was in receipt of Rs 7 per mensem till about May 1878, is not correct, as it is presumed he only quoted from memory.

2. As regards the names of the legal representatives of the deceased Lascar I have to state that the Tahsildar of Narasaraopett was requested on the 2nd April last to report the same, as the Lascar lived in the village of that name, before his death. The Tahsildar has made enquiries and submitted reports to me.

From

From which, it appears that one Krossoor Ramama, a concubine of the Lascar with whom he lived for 20 years, and who had his funeral ceremonies performed is his legal representative. Her name should, therefore, be included in the application.

3. As regards the delay in the submission of these papers now, I have to state that the Tahsildar's reply was received by me only on the 28th Ultimo. The previous delay was due to the time occupied in collecting the information required in your No 108 of the 6th May 1881.

Remarks by Examiner, P. W. Accounts.

Not verified from either the Audit Registers of this Office or from those of the Divisional Office owing to the omission from the forms of the names of incumbents in inferior Grades and to want of records in the latter. An affidavit with statement of one contemporary servant in support of the whole period is herewith forwarded and the period classed as qualifying inferior service on the strength of the specific opinion of the Head of Office that the "Service established and should be admitted".

The several kinds of leave availed of by the applicant as detailed in his Service Book have been classed as qualifying with reference to Section 94 of the Civil Pension Code. The reason of the applicant's reduction to Rs 6/- per mensem in June 1871 is given in the Executive Engineer's [illegible] letter No 52 dated February/82.

The applicant's services were dispensed with on the afternoon of the 24 September 1879 apparently in consequence of his having attained the age of 55 years vide Supdg Engineer 1 Circle letters No 89 and 336 dated respectively 9 April 1881 & 27 February 1882. The Superintending Engineer late 1 Circle was informed by this Office that inferior servants were not entitled to ~~any~~ other than compensation and invalid retiring allowance and he was accordingly requested to have the applicant's incapacity for further service established by a medical certificate vide this office letter No 10881 dated 6 May 1881 Copy attached. The Supdg Engineer 2d Circle now states that the applicant is reported to have died a year ago vide his letter No 335 N.L. d/ 27 February/82 Copy attached.

The necessary information in regard to legal representative is given in para 2 of Supdg Engineer's letter No 442 N.L. dated 5 August 1882.

The delay in the submission of the gratuity application is also explained by the Supdg Engineer in the same letter vide para 3.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.
If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.
The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—
(*a*) whether the applicant was in *permanent* employ of Government.
(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.
