The calculations have been duly verified. ~~The (pension / gratuity) is chargeable to~~

The delay in the submission of this application is explained by the Director of Public Instruction in reply to this office objection memo. No. A.G.P./86 dated 21 Aug 82.

In accordance with Note 4 under Section 130 the attention of Government is respectfully solicited to Section 65 of the Code.

It will be seen from the History of Service that the applicant's total period of absence on leave on medical certificate amounts to 3 years and 17 days in other words 17 days in excess of the maximum period allowable to an uncovenanted servant under Section 107 of the Civil Leave Code. Sir,

I have the honor to resubmit the Pension Application of T. A. Cunnoosamy Pillay with the corrections required in Proceedings No 3619 of the 3d instant and to state with reference to para 5 that this applicant as Second Clerk acted but twice for the Head Clerk and drew a moiety of his own pay viz Rs25 plus a moiety of the absentee's pay for the period of the latter's absence. The pay of the Head Clerk at the time (1866 & 1868) was but Rs35 and the acting allowances then drawn were calculated with reference to the number of days for which the applicant acted, namely 2 full months in 1866 and only 23 days in 1868. The amounts entered are therefore correct.

Sir,

In returning the enclosed objection statement of the Accountant General, No. 86 dated 21st ultimo with its enclosures, referred to me for remarks, I have the honor to state with reference to objection No. 2 that the services of T. A. Cunnoosawmy Pillay were verified from the office copies of the Monthly Pay Bills, Acquittance Rolls and Leave Statements, and this fact has now been stated as desired, in the column headed "How verified" –

2. In regard to No. 9 I beg to state that the delay is due partly to the absence of the Service Register which was with the applicant who was unable in consequence of his ill health to bring it to me for submission to the Accountant General, and partly to the return from your office of the application for correction and alteration in accordance with the provisions of the Pension Code copy of which is not available here –

3. With reference to para 16, I beg to say that the post of First Clerk became permanently vacant by the retirement of the late incumbent on 31st May 1879, but the acting appointment was given pro-tempore to Cunnoosawmy Pillay pending a trial as to his fitness for the post, ix

when he proved himself efficient and worthy of promotion, he was confirmed in the same appointment on the 1st August 1880. His service in that post should therefore be counted towards pension from 1st June 1879.

4. A few more personal marks for easy identification are given as required in No. 19.

5. As to the enquiry made in the foot note No. 35 of the Accountant General's communication, I beg to explain that from 1st June 1879 when he was appointed to act as Head Clerk on a year's trial, I thought that it would not be regular to fill up his post of Second Clerk permanently until the period allowed for trying him in his new work was over. He had practically no lien on his former post.

6. The applicant was allowed extra sick leave for 17 days under the supposition that he was entitled to 3 year's sick leave on the Medical Certificate he produced. I was not aware in the absence of the Civil Leave and Pension Codes of the rule cited as to the maximum period of Sick leave allowable during the entire service of an Uncovenanted Servant. The amount of Rs 11-5-4 being the absentee allowance drawn for the 17 days in question by the applicant may therefore be retrenched from the arrears of pension due to him.
