GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the Superintending Engineer, Third Circle, dated 12th July 1882.

Certificate and report from the Examiner of Public Works Accounts, to the Acting Under Secretary to Government, Pension Department, dated Madras, 27th September 1882, No. 737-A.R.

Certified that, should Government be pleased to treat the period of the applicant's services, from 1st January 1863 to 10th May 1879 and from 12th November 1879 to 2nd September 1880, as qualifying on the strength of his affidavit, &c., as also on the specific opinion of the Head of the Office that the service claimed "should be admitted," qualifying service in inferior grades will amount to seventeen years, two months, and one day. But as the applicant's services appear to have been dispensed with on account of frequent absences from duty, and as he is reported by the Zillah Surgeon, Cuddapah, to be fit for further duty, he will not, it is thought, be entitled to retiring allowance of any kind.

2. With reference to Section 130, Rule 4, attention is solicited to Section 65 of the Civil Pension Code and to the remarks of the Superintending Engineer at foot of the fifth page of the gratuity application.

Order—dated 19th October 1882, No. 999, Pension.

Inasmuch as the applicant is declared by the Medical Officer to be in a good state of health and fit for further service in the department to which he belongs, he is ineligible, under the rules, for pension or gratuity. The Executive Engineer subsequently to dispensing with the applicant's services described him as a notorious malingerer, but this was not the ground on which he was removed from the service, and but for the gross and unexplained delay which has taken place in the submission of this application, the case might have been disposed of on the first medical certificate, dated the 3rd September 1880. In the present circumstances, the applicant must be provided with employment as a lascar.

I have the honor to forward the gratuity application and the service Book of Davood Khan a Lascar in the Cuddapah Division.

2. The Lascar has a service of 17 years in the Department and his services were dispensed with on the 2nd September 1880 as he was pronounced by the Surgeon to be fit only for light work - vide medical Certificate enclosed.

3. An affidavit and two statements of contemporary servants are sent to support the portion of the applicants service which cannot be verified from records in the Cuddapah Division.

Copy of letter from the Examiner C. P. Accounts to the Superintending Engineer 3rd Circle No. 41 S.3 dated 13th May 1882.

I have the honor to return herewith the Gratuity papers &c of Dawood Khan late Lascar Cuddapah Division, received with your letter No. 208 dated 6th Instant and to request that the same may be retransmitted to this office with information on the following points:—

(1). Whether any portion of the applicants services have been verified from official records, and if so, the period from and up to which the services have been so verified.

(2). The Medical Certificate of unfitness for further service, herewith returned, should be made to show whether the incapacity is or is not the result of irregular or intemperate habits — Vide Sections 104 & 105 of the Civil Pension Code. An Invalid pension is awarded to an Officer who by bodily or mental infirmity is permanently incapacitated (a) for the public service or (b) for the particular branch of it to which he belongs. Vide Section 102 Civil Pension Code. From the Medical Certificate forwarded, it would appear that the applicants incapacity is not permanent and further explanations on this point is therefore necessary.

(3). It should be stated with reference to Section

Section 102 Rule 6 of the Civil Pension Code, whether every effort has been made to find for the Lascar other employment suited to his particular capacity.

(4). The answer in the annexed book shows that the applicant was absent on Sick Leave and without leave from 11th December 1878 to 11th November 1879. The period he was absent without leave should be shown separately from that on sick leave. Under existing rules, absence without leave involves forfeiture of past service unless the period is commuted by the Local Govt. into Leave without allowances under Section 93, Rule 7 of the Civil Pension Code.

2. The delay in the submission of this gratuity application for over 18 Months should be explained for the information of Government.

Copy of letter from the Superintending Engineer 3rd Circle to the Examiner C.W. Accounts Madras No: 619 dated 13th July 1882.

With reference to your letter No: 41 S.E. 2nd dated 13th May 1882, I have the honor to return herewith the gratuity papers of Lascar Dawood Khan of Cuddapah Division.

2. It is not possible to verify any portion of the applicants service, as the names of the Lascars are not recorded in the Pay Bill Books.

3. The Zillah Surgeon, who was addressed on the Subject of Clause 2 para 1 of your letter, Considers the applicant to be not fit for further Service; Vide his letter No: 217 dated 10th June 1882, enclosed. The Lascar was not therefore permanently incapacitated for the Public Service.

4. No effort has been made to find for the applicant any other employment, as there was none Suited to his Capacity, he having been pronounced by the Zillah Surgeon, in September 1880, fit for light work only; Vide Copy of Superintending Engineers No: 2686, dated 6th December 1880 enclosed. Moreover the Lascar was not Considered worthy

worthy of any efforts on his behalf: Vide Cuddapah Executive Engineer's letter No. 2560 dated 18th December 1880, Copy enclosed.

5. The applicant was absent on Sick Leave for 6 months, from 11th December 1878: and then remained absent without Leave for 6 months more, viz from 11th May to 11th November 1879. It rests with the Government to decide whether his absence without Leave should or should not be commuted into Leave without allowances. Looking to the man's antecedents, I can see no grounds on which to recommend such indulgence being shewn to him.

6. The old records had to be searched for information regarding the applicant's Service; hence the delay in the submission of the gratuity application.

Copy of a letter No 2560, dated 1st December 1880 from the Executive Engineer Cuddapah Division to the Superintending Engineer 1st Circle

1. With reference to your endorsement No 2292 dated 23rd October 1880 (borrowed returned) I have the honor to enclose a copy of the Zillah Surgeons certificate stating that "after two months rest" the lascar may again be fit for light work; or, as Doctor Ignatius expresses it, "for further service of less laborious character than that which he has been doing".

2. As I do not require lascars who can only do light work, I dispense with their further services.

3. He has been a notorious malingerer for some time past, and is unfit for the work of a lascar. He has spent the last two years chiefly on sick leave and on absence ~~with~~ without leave. The Head Clerk informs me that the lascar was granted 5 months leave on the 11th December 1878, and at the end of that time stayed away further 6 months, without leave, on the plea of sickness. Altogether he was absent 11 months, viz: from the 11th December 1878 to the 11th November

Dublin 1749 of 82

November 1879.

4. In this year he stayed away from the 20th June, without leave, on the plea of sickness; and after being frequently ordered to produce a medical certificate produced one, dated 31st July, recommending 2 months absence from the 2nd July. On the 3rd September the Gillah Surgeon certifies that the person requires another months or two of rest.

5. A man of this description can be of no use as a Lascar, and I therefore thought it right to dispense with his services.

6. He has including his leave and absence without leave, about 6½ years service, so far as can be ascertained from the records here; although he states that he has considerably more service.

was entertained as Lascar on the 28th February 1861 but as his contemporary servants certify to his employment on the permanent establishment of Government only from January 1863 his services have been entered by the Executive Engineer only from the latter date.

As the appointment of the applicant was not substantively filled up during his absence without leave from 11 May 1879 to 11 November 1879 in continuation of authorised sick leave it is considered that with reference to the provisions of Section 96 (b) of the Civil Pension Code his past services have not been forfeited. The applicant's services were dispensed with on the 2nd September 1880 for reasons given in the Executive Engineer Cuddapah Division letter No 2560 dt 1 Dec/80 (Copy attached) and with reference to the Medical Certificate in which the applicant is shown to be fit for further service of a less laborious character the Superintending Engineer whose attention was drawn to Section 102 Rule 6 of the Civil Pension Code states that no efforts have been made to find for the applicant any other employment as there was none suited to his capacity &c. Note.

* In affixing "Good" to his character, it seems to have been overlooked that the Cuddapah Exec. Engineer in his letter No. 2560 d/ 1/12/80 gives the Lascar a very bad character. JPH

† If the applicant is recommended for a pension or gratuity as compensation for abolition of office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government, in respect to the cost of the abolished appointment, has been produced. *Vide* Rules 1 and 6, Section 59 of the Civil Pension Code.

" Examiner P. W. A. No. 416 Accounts, dated 27th September 1882

Note

In Sept 1880 applicants services were dispensed with as the Zillah Surgeon gave a certificate he was only fit for work of a less laborious character than that of a lascar.

In June 1882 the Zillah Surgeon reported him fit to work in his own department in a good state of health.

The Exec: Engineer did not try in the interval to employ him with work because he says he is a notorious malingerer, & dispensed with his services; apparently under the impression he could do so without in fact dismissing him without benefit of pension.

ORDER THEREON.

UNDER Sections 102 and 112 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Cuddapah C. Dawood Khan late Lascar Cuddapah Division an annual gratuity of Rupees (40—0—0) Forty Rupees (40) per mensem payable at Cuddapah in consideration of his qualifying service of Seventeen years, ~~nil~~ months and One days.

Inasmuch as the applicant is declared by the medical officer to be in a good state of health & fit for further service in the department to which he belongs & that he is ineligible under the rules for pension or gratuity. The Executive Engineer subsequently to ~~unwarrantably~~ dispensing with the applicants services described him as a notorious malingerer but this was not

the ground on which he was removed from the service of Bub for the gross delay which has taken place in the submission of this application, the case might have been disposed of on the first medical certificate dated 11th 3rd Feb. 1899. In the present circumstances the applicant must be provided with employment as a clerk.
