PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lt. Colonel W. H. Horseley, Chief Engineer to J. D. Bourdillon Esqre. Secretary to Government Public Works Department dated Chepauk, 24th September 1860 No. 5111.

GENERAL.

I have the honor to forward for submission to government the accompanying petitions from Iyaurru Pillai late a writer in the 3rd. Class Executive Engineer's Office in the Tinnevelly District, praying in consideration of his past services, he may be exempted from passing the Uncovenanted Service Examination, in order to be able to hold an employment in that District or elsewhere.

Iyaurru Pillai was employed in the 3rd Class Executive Engineer's Office at Tinnevelly.

Lieutt Payne was then the Executive Engineer 3rd Class in Tinnevelly, and having been promoted by G. O. dated 28th December 1858 to act as District Engineer of that District, his former Office establishment was on a reference to this office ordered to be discontinued. The petitioner is one of those who thereby suffered the loss of employment.

It appears that Iyaurru Pillai was examined at the last Uncovenanted Civil Service Examination, the result of which is not yet published.

Lieutt Payne to whom Iyaurru's 1st. petition was referred, stated in his letter dated the 8th May last that Iyaurru had 3 years and 2 months permanent Service and 1 year and 11 months temporary Service, and that he saw no reason whatever why the petitioner should be exempted from passing the examination prescribed for the Uncovenanted Service, but Captain Winscom, to whom a subsequent petition from Iyaurru was referred, considers that his claim merits very favourable consideration.

As Captain Winscom further states that Iyaurru possesses high testimonials of character, I beg to recommend that he may be exempted from the Uncovenanted Service Examination, in order that he may obtain employment in the Public service in Tinnevelly or any other District where his services may be required.

*During the intervals of this uninterrupted period of about seven years before the date of confirmation. I have also acted in full vacancy of a 2nd Class Inspector. So my acting appointment as 2nd Class Inspector in full vacancy, drawing only an allowance of 20 per cent has also effected a large saving to Government as detailed in the accompanying petition.

The Memorial of T. A. M. Iyaurru Nayanar Pillai, Lately Retired Inspector of Police Tinnevelly Town and Rural Divisions, Tinnevelly District.

MOST HUMBLY SHOWETH,

1. That, your Excellency's Memorialist, being fully convinced from experience that all **Justice, Mercy and Glory** hang up at the most **Benign and Fostering hands of Government** to relieve the afflicted, begs leave most respectfully to request that the following lines will be kindly perused, for Justice and Mercy sake, in connection with his Pension affairs now supposed to be pending either before the Accountant General or Government. If the Memorialist had been fortunately retained in service, **under the best Policy of Government**, for a short time more, there would have been hardly any difficiency in his qualifying service found. It is known that the Inspector-General of Police, during his inspection of this District in the month of March last, was led to believe, from a reference made to a certain list printed for 1882 (lying in the Tinnevelly Police Superintendent's office as well as in the Police Superintendent's office of every other District) of the services of Police officers and Subordinates up to the grade of 4th class Inspectors, that the length of the Memorialist's service up to the end of December 1882 was 29 *years and* 3 *months*, and in consequence passed such remarks as the following in a way of compassionate nature, but not in any compulsory way in his Inspection Report about the Memorialist, "This Inspector is much respected by all classes and is doubtless a respectable old man (officer), but he is past work and must be pensioned".

In this printed list in question, the Memorialist believes that the calculation of his total service from the date of his first appointment (i e 8rd September 1853) up to the 31st December 1882 is entered as such, by reason of the real Existence of breaks in service, in the intermediate period being not attended to. So an unconscious error in the preparation of the list in question seems to have taken place, but it was not then understood or noticed. Such printed lists of services are not supplied to Inspectors of Police concerned. The Inspector-General and Suptt of Police have not found any sort of Defects or remissness in the discharge of the Memorialist s most arduous duties as a Town and Rural Divisions' Inspector of Tinnevelly over a period of 12½ years. The Memorialist has always worked very hard, and sometimes incomparably harder than many of the young Inspectors. This fact will be verified, not from a mere verbal expression on his part, but from established records. A comparison of the Memorialist's works with those of every other Inspector performed *during the last* 3 *or* 4 *years at least* will also verify this fact. For instance, works (preventive and detective) for the past 3 or 4 years and other works of correspondence, such as keeping Crime Registers and Diaries &c. performed by the Memorialist *with his own hand* for such a period, if only noticed or separately referred to at one glance of view, could, (as the Memorialist humbly trusts,) most undoubtedly excite a great surprise in thinking, what a hard working Police officer the Memorialist has been, or what a gigantic, or highly faithful services he has always readily rendered and commanded in the active Police service.

2. On the other hand, the Memorialist has always preferred loss of life to the receipt of any censure or reprimand in his duty, and maintained a topmost honor and integrity, and respect above all the Police forces in the District, and aspired for nothing more than a good name as his best riches in the world. Lieutt. Col H. E. Coningham, Police Suptt and all other Supttts of Police, as well as other superior Police officers, Magistrates and Sessions Judges under whose orders and supervisions the Memorialist had to work could bear ample testimony to this fact; and the Impartial Public also would join them.

3. In unfitting the Memorialist for further service, the Medical Committee is said to have passed an opinion that the Memorialist is suffering "under old age (56) and lameness" The Memorialist is now going on with the 53rd year of his age *as often before recorded*. He is not suffering under any bad effects of lameness. He had not been ever before placed under treatment in any Hospital even for a single day, but by incessantly being seated as a Hindoo for hours every day in writing Crime Registers and Diaries, and in keeping other Public

correspondence of importance *by himself*, the Memorialist had to feel some flatulent pains in his knees, which was the result of excessive labour, but was not in any way very harmful. Even granting there is lameness with him, it will not be considered to be of such a permanent nature that it cannot be cured at all by any sort of best European Medical treatment. When Inspector-General was here, he personally asked the Memorialist, "When do you wish to retire?" His reply was "After about 15 months, completing service". This reply was not noticed.

4. On the 23rd March last (i e 39 days before the date of the Memorialist's appearance before the Medical Committee as ordered, and a week after the Departure of Inspector-General from the District) the Memorialist sent an application to Suptt to get him two months' privilege leave to which he was then entitled, shewing reasons for the same. Upon this application, the Suptt of Police passed endorsement as follows, "Will be seen to when the Inspector-General's Inspection Report of District is received". But on the Receipt of the Inspector-General's Inspection Report, the Memorialist was all on a sudden ordered to appear before Medical Committee according to the meaning of the Inspector-General's remarks.

Subsequently on or about 22nd April last, the Memorialist requested the Suptt of Police in writing to allow him 15 months retention in the service to enable him to complete 25 years' pensionable service, or to get him, as a special case, a full pension of a second class Inspector, after such a long creditable, faithful, and arduous service in the Police Department, also shewing that as the Memorialist is so widely known as an excellent Police officer, so must be the reward or Pension of his service widely known and appreciated, for his future comfort &c in life. This request was acquiesced with silence. Here the Memorialist begs leave respectfully to point out that the Suptt. of Police has not granted his foregoing request on a good understanding, (as the Memorialist believes) that, if it be so granted or recommended, it would be considered perhaps as going against the Inspector-General's remarks, (i e) "He is past work and must be pensioned".

5. With regard to his service as Maistry in the 2nd Assistant Civil Engineer's office Tinnevelly from 1st May 1856 to 30th June 1856. the Memorialist begs leave to state that the Maistry-service was permanent and superior. Nearly a month after the submission of the Pension Roll, the Maistry-service in question being said to have been considered as inferior service in the Inspector-General's Office under Section 89 of the Civil Pension Code, 5th Edition, the Memorialist has already submitted a petition (on the 17th August 83,) to Inspector-General thorough Suptt of Police, enclosing therein a service statement of his and a copy of the Government order, Public Department, No 1423 dated 27th September 1860, and shewing reasons and facts that it is not inferior service. The appointment of Maistryship *is recorded as permanent service* in the official Register of D. P. W., forwarded by Suptt of Police, together with Pension Roll. In the above mentioned Government order, it is clearly set forth that the Memorialist's permanent service is 3 years and 2 months, *including the 2 months' Maistry-service in D. P. W.* A certificate of the Superintending Engineer's verification of the Memorialist's service on the certified copy of his official Register (known to be attached to the Pension Roll in question) can clearly show the fact of the Maistry-service being permanent and superior. Some of the Memorialist's contemporaries in D. P. W. in 1856 can also give affidavits to the alleged fact, if required, under section 127 of the Civil Pension Code 5th Edition. Moreover, the Memorialist begs leave respectfully to point out that under section 90 of the said Pension Code, Maistry in the Maramut Department in the Madras Presidency, as respects service. *up to the year* 1856 *is superior service.* Whereas, it is now known from enquiry that in the Pension Roll or History of the Memorialist's service sent up to Government, it is noted down *through mistake and without authority*, that the maistryship in question is a temporary appointment.

6. During the uninterrupted period of his acting appointment as 2nd class Inspector for about 7 years and until confirmation in the same post, the Memorialist has, as he does now understand, happened to act in a real full vacancy left by 2nd class Inspector Mr Hodgson, for about a month, and again in a further full vacancy of 2nd class Inspectorship, for about one year, between the date of 1st class Police Inspector Mr Paczensky's permanent appointment as Inspector in the Salt Department and the date of Confirmation of Mr. Simpson in the 1st class Police Inspectorship and of the Memorialist's confirmation in the 2nd class. These facts will be apparently evinced and cleared from an inspection of monthly Pay Bills, D. Forms and other records concerned.

Since the date (i e 29th Nov 1875) of the Memorialist's first acting appointment as 2nd class Inspector, to the date (i e 19th November 1882) of his confirmation in the same, no specific written order other than the one issued in the 1st Instance for that 1st Acting appointment, has been issued by the Inspector-General, that the Memorialist should act in the place of 2nd class Inspector Mr. Simpson, nor has the Memorialist been furnished with any order appointing him to act for Mr. Simpson.

In consequence of the above mentioned & some other reasons, the Memorialist was all along the uninterrupted course of seven years left under a solid impression and belief that he was acting in a full vacancy created by the late 2nd and Acting 1st class Inspector Mr. Hodgson. Thus the Memorialist's Acting appointment in full vacancy should entitle him to the receipt of full pay, by virtue of Para II of Government order No 595 Pension Department dated 2nd November 1870 and other rules. The Memorialist's last loss of employ while in D. P. W. was caused by the abolition of office. No gratuity was awarded and no provision was made for his re-employment in D P W. till his entertainment in the Police Department The above mentioned Government order No 1423 will shew this fact. And the said abolition of office does not entail forfeiture of past service under clause D section 96, and has also produced a real saving to Government, under rule 6, section 100 of the Civil Pension Code, 5th Edition. By virtue of sections 3 (a) 3 (b) Chapter I of the Pay and Acting Allowance Code, 5th Edition, it will even now be in the power & pleasure of Government to allow the Memorialist a minimum salary or half pay during the time of his Acting appointment, after deducting the allowance already paid at 20 per cent Under the head of Definitions, Page VII Civil Pension Code, 5th Edition, the Acting allowance drawn by the Memorialist includes the average of the last 5 years emoluments for the purpose of Pension. For all these reasons and circumstances, the Memorialist is sanguine that he has established a claim to count the Acting service and allowance in question for Pension. Breaks in his service in D. P. W. are admissible under section 3, under the Heading "Rules regarding service," page 117 of the above Code. His bad time has so much tried and still been trying, so that he could not prudently blame any one for it, and if his time had been good, he would have been recommended for the indulgence of a few months' leave by the Medical Committee or the Memorialist would have been placed for such a short period in any light Division; or if the Memorialist had been granted 2 months' privilege leave, and immediately on his return therefrom, a few months other leave by the Department, it certainly would not have caused any difficiency in his qualifying service.

7. In conclusion, the Memorialist most earnestly and submissively begs leave to point out to Government that his case has turned to be so unfortunate as the following Proverb goes to say "Many a slip between cups and lips". The Memorialist has however used all his honest means and trust in God and Government in such a way at this critical moment, to defend his own case. It is nearly 5½ months since the Memorialist was discharged as being found unfit for further service. His mental afflictions at such a series of misfortunes have been daily increasing so much so that he should be in consequence most likely obliged to die a delicate death, *only with a broken heart*, unless a well distinguished fostering encouragement be soon kindly and sufficiently shewn with a view to meet the nature and quality of services rendered The Memorialist has not been asked anything about his pension matter which he is told is still pending. As the transmission of this Memorial through local authority will cause a delay of at least not less than a month for its reaching the Government office, the Memorialist is now prompted to submit it direct, with an intention that it should soon reach the Government before his pension affair is settled by them The Memorialist therefore humbly requests that the Government will be graciously pleased to take all the above facts and circumstances into their deepest and most benign consideration (in connection with the Pension recommendation Roll already submitted by Suptt of Police), and in honor and appreciation of his long arduous and meritorious service, to condescend that his acting service as 2nd class Inspector until confirmation therein may be kindly converted into the service of a permanent character. or that his late confirmation in the 2nd class Inspectorship be kindly taken to retrospective effect from the date of his Acting appointment thereto, and that any amount of difficiency (whatever duration) in his qualifying service may be kindly condoned with Mercy both by the local Government and Government of India or in any other way which may be deemed expedient, in order to make up his pensionable service continuous for 25 years and thereby to enable him to obtain the benefit of a full pension i e Rs. 75 due to a full 2nd class Inspector of Police or to obtain to him the benefit of a special pension Rs. 75 under section 132 of the Civil Pension Code 5th Edition. The Memorialist begs leave to recite here that the Government should be pleased to condescend that his pension must be equal to the aquirement of his merits and so conspicuously to protect justice and mercy.

For this act of charity, the Memorialist shall as in duty bound ever pray.

The Memorial of **T. A. M. Iyaurru Nayanar Pillai**, Lately Retired Inspector of Police Tinnevelly Town and Rural Divisions, Tinnevelly District.

MOST HUMBLY SHOWETH,

1. That, your Excellency's Memorialist, being fully convinced from experience that all **Justice, Mercy and Glory** hang up at the most **Benign and Fostering hands of Government** to relieve the afflicted, begs leave most respectfully to request that the following lines will be kindly perused, for Justice and Mercy sake, in connection with his Pension affairs now supposed to be pending either before the Accountant General or Government. 3. In unfitting the Memorialist for further service, the Medical Committee is said to have passed an opinion that the Memorialist is suffering "under old age (56) and lameness". The Memorialist is now going on with the 53rd year of his age *as often before recorded*. He is not suffering under any bad effects of lameness. He had not been ever before placed under treatment in any Hospital even for a single day, but by **incessantly** being seated as a Hindoo **for hours** every day in writing Crime Registers and Diaries, and in keeping other Public

As the transmission of this Memorial through local authority will cause a delay of at least not less than a month for its reaching the Government office, the Memorialist is now prompted to submit it direct, with an intention that it should soon reach the Government before his pension affair is settled by them. The Memorialist therefore humbly requests that the Government will be graciously pleased to take all the above facts and circumstances into **their deepest and most benign consideration**. (in connection with the Pension recommendation Roll already submitted by Suptt of Police), and in honor and appreciation of his long arduous and meritorious service, to **condescend** that his acting service as 2nd class Inspector until confirmation therein **may be kindly converted** into the service of a permanent character. or that his late confirmation in the 2nd class Inspectorship be kindly taken **to retrospective effect** from the date of his Acting appointment thereto, and that any amount of difficiency (whatever duration) in his qualifying service **may be kindly condoned** with Mercy both by the **local Government and Government of India** or in any other way which may be deemed expedient, in order to make up his pensionable service continuous for 25 years and thereby to enable him to obtain the benefit of a full pension i e Rs. 75 due to a full 2nd class Inspector of Police or to obtain to him the benefit of a special pension Rs. 75 under section 132 of the Civil Pension Code 5th Edition. The Memorialist begs leave to recite here that the Government should be pleased to condescend **that his pension must be equal to the aquirement of his merits** and so conspicuously to protect **justice and mercy**.

For this act of charity, the Memorialist shall as in duty bound ever pray.

Enclosure No 1 in Memorial dated 17th October 1883 to Government through the Honble Accountant General

PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lt. Colonel W. H. Horseley, Chief Engineer to J. D. Bourdillon Esqre. Secretary to Government Public Works Department dated Chepauk, 24th September 1860 No. 5111.

GENERAL.

I have the honor to forward for submission to government the accompanying petitions from Iyaurru Pillai late a writer in the 3rd. Class Executive Engineer's Office in the Tinnevelly District, praying in consideration of his past services, he may be exempted from passing the Uncovenanted Service Examination, in order to be able to hold an employment in that District or elsewhere.

Iyaurru Pillai was employed in the 3rd Class Executive Engineer's Office at Tinnevelly.

Lieutt Payne was then the Executive Engineer 3rd Class in Tinnevelly, and having been promoted by G. O. dated 28th December 1858 to act as District Engineer of that District, his former Office establishment was on a reference to this office ordered to be discontinued. The petitioner is one of those who thereby suffered the loss of employment.

It appears that Iyaurru Pillai was examined at the last Uncovenanted Civil Service Examination, the result of which is not yet published.

Lieutt Payne to whom Iyaurru's 1st. petition was referred, stated in his letter dated the 8th May last that Iyaurru had 3 years and 2 months permanent Service and 1 year and 11 months temporary Service, and that he saw no reason whatever why the petitioner should be exempted from passing the examination prescribed for the Uncovenanted Service, but Captain Winscom, to whom a subsequent petition from Iyaurru was referred, considers that his claim merits very favourable consideration.

As Captain Winscom further states that Iyaurru possesses high testimonials of character, I beg to recommend that he may be exempted from the Uncovenanted Service Examination, in order that he may obtain employment in the Public service in Tinnevelly or any other District where his services may be required.

Transferred to the Public Department.

Sir,

I have the honor to forward herewith the Pension application with other papers as per list on behalf of the late 2d class Inspector Iyarrumaiyanar Pillai of this District for Submission to Government with favorable recommendation that he may receive full pension i.e. half pay of a 2d class Inspector.

2. The Inspector's house and Country manes are Thaiyumana Anbal Ananasamy Mudaliar and Iyarrumaiyanar Pillai.

3 It will be observed from the history of the Inspector's past Service that he entered public Service in inferior grade in the Judicial

Judicial Department on the 3d Sept. 1853, and after serving in that grade for one year and one month he left it on the 2d Oct. 1854 and was out of employ for one year, 6 months and 28 days.

4. He was appointed to the D.P.W. on the 1st May 1856 in Superior Service, & served in that Department until the 8th April 1859 with 3 admissible breaks of 6 months, 2 months & 23 days, & one month & 19 days respectively. On the 9th April 1859, he was thrown out of employment, his office of writer having been abolished as stated in G.O. No. 1423 dated 27th Sept. 1860 Public Department. No gratuity was granted him for this Service of 2 years, 2 months & 9 days. On the 18th June 1861 he was appointed as an Inspector in the Police Department and has held it from that date until the 1st May 1883.

5. The Services reckoned above amount to 23 years, 11 months & 13 days when the inferior

x rule section 13 Civil Pension Code 5th edition

x rule 9 a & b of the old Pension rule in page 117 of the Pension Code 5th edition

inferior Service of one year and 1 month is deducted. 43

6. In consideration of the good Service rendered by the Inspector and of his inability from impaired health to make up the deficiency of Superior Service of 1 year and one month, I under Section 98 Civil Pension Code 5th edition recommend specially that it may please Government to allow that Service to be condoned with a view to enable him to make up his pensionable Service of 25 years.

7. In the Police Service, he acted Continuously in the grade of 2d class Inspector from 29th November 1875 to 18th Nov. 1882 viz, from the 29th November 1875 to 3d Oct. 1877, in the place of 2d class Inspector Mr. Hodgson who acted in the 1st class during the absence of Mr. Paczensky on special duty in Madura: and from the 4th Oct. 1877 to 17th Nov. 1882

after the transfer of Mr. Hodgson to the Mauritius—in the room of 2d class Inspector Mr. Simpson who acted as 1st class in Mr. Paezens Kyd Continued absence. On the 18th Nov. 1882 he was Confirmed in the grade of 2d class Inspector.

8. It will be seen that he has Continuously held the Ag appointment for nearly 7 years, & I request that Government may be pleased to treat that Service as one of a permanent character, under section 132 Civil Pension Code and permit him to draw a pension of Rs 75 per mensem being 50 percent of the Salary of an Inspector of Police of the 2d class.

9. I have known him for a period of more than 20 years, and have no hesitation in placing on record the very favorable opinion I have always entertained of his integrity and Excellent Conduct. He has proved himself very useful in bringing several difficult cases to light. I shall mention a few:— In October 1873, the District Magistrate of Jummelly granted him a reward of Rs 50 for detecting a Serious case of dacoity on the highway. (2) In April 1874, a reward of Rs 100 was, under Sanction of the Inspector General of Police, paid to him by the relatives of a person who was poisoned. (3) In October 1875, the Inspector General of Police Sanctioned a reward of Rs 75 which was paid to him by the Complainant in a case of criminal breach of trust. (4) In Sept. 1876, the Inspector General of Jails granted him a reward of Rs 50 for his clever capture of one Sodalimuttu Sewan a Convict who escaped from the Central Jail Trichinopoly on the 6th August 1874.

10. He is much respected by Natives of all classes, and I have

have only to add, that all European Officers who have had opportunities of observing his work will endorse the views that I have expressed in his behalf.

11. He was pronounced unfit for duty by the Medical Invaliding Committee on the 1st May 1883 but in Consequence of the certificate not reaching my Office until the afternoon of the 3d idem, he Continued to do duty until the evening of the 4th. I beg leave that he may be permitted to draw pay for these additional 3 days.

The applicant who was retired by order of the Inspector General of Police as being past work has persuaded the Supt. of Police to recommend that a deficiency of over a year in his service should be condoned to give him a half pay pension that acting appts. should be treated as permanent.
