AN IRREGULARITY.—In recommending to Government for pension, one H. Venkata Row, late Gumastah in the Deputy Tahsildar's Office at Kalyandrug in the Anantapur District, the Accountant General brought to notice certain irregularities connected with his case. It would appear that the man was removed from effective duty before he was declared by a medical officer to be incapacitated for Government service according to the provisions of the Civil Pension Code, and that the Civil Surgeon of Anantapur declined to grant him a medical certificate, which the man subsequently obtained from the Civil Surgeon of Cuddapah. As the incapacity was, however, fairly made out, the Government have accepted the medical certificate, which was dated ten months and twenty days after the gumastah's removal from the service, and in consideration of his qualifying service, an invalid pension has been conferred upon the applicant, but the Government have expressed great disapproval of the irregularities which have been noticed in connection with this case.

At the meeting of the Bombay Town Council, on Wednesday, the Hon. Rao Sahib V. N. Mundlik's proposition recommending the council to sanction a sum of Rs. 50,000 in aid of the funds which will be required to afford a fitting reception to their Royal Highness the Duke and Duchess of Connaught, formed the subject of a long discussion. With reference to this subject, Mr. Barrow, the Secretary, read an
