OFFICIAL MEMORANDUM.

With reference to his application for gratuity on behalf of Poolagom Somiah and K. Kondiah (herewith returned), the undersigned is directed to request that the Inspector-General of Police will call on the Civil Surgeon of Nellore to state clearly why he considers the incapacity of the individuals in question was not caused by irregular habits. The Civil Service Commission considers the applicant to be completely and permanently incapacitated for further service in consequence of "gravely deficient physique, syphilis and Constitutional debility" and adds "that his incapacity does not appear to have been caused by irregular or intemperate habits." Applicant's affection is ordinarily however held to be the result of irregular habits and should be admitted except this view the applicant would not be entitled to any gratuity under Section 105 of the Civil Service Code 5th Edition.

In respect of officers of the Police Department Government in their Order No 40 dated the 22nd January 1879 Pension Department resolved that men of some service and good character would in those circumstances be entitled to some special consideration. With reference to this Resolution it is for Government to decide whether the two years service rendered by the applicant can be regarded as "some service" and accordingly entitled him to special consideration. If the decision is in favor of the applicant it will further put with Government to decide what reduction should be made in the amount of gratuity of Rs 13 equal to 2 months pay, which would under ordinary circumstances be the maximum amount admissible to him. The case appears to be one similar to that which was disposed in Government Order No 807 dated the 15th September 1882 Pension Department.

No 315 Certified that qualifying service in the Police Department has been duly proved for 1 year and 3 days. The Civil Surgeon. If the decision be in favor of the applicant, it will further rest with Government to decide what reduction should be made in the amount of gratuity of Rs. 6-5-0 (equal to one month's pay, which would, under the Pension Code, be Rs. 10-0-0) and what amount should be paid to him. The case which shows that the applicant is entitled to some special consideration is the Pension Code, 5th Edition.
