GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Inspector-General of Registration, dated 13th December 1882, No. 3493.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 15th January 1883, No. A.D.J.-402.

Certified that qualifying service in superior grades has been duly proved for twenty-four years, ten months, and twenty-four days; and that, subject to the remarks below recorded, an invalid pension not exceeding Rs. 2,000 a-year is admissible under Sections 102 and 109 (*b*) of the Civil Pension Code. The calculations have been duly verified. It will be seen from the history of service that the Inspector-General of Registration has recorded Mr. Wright's total period of qualifying service up to 6th November last as twenty-six years, two months, and two days, and has therefore proposed the grant to him of a pension equal to half average emoluments not exceeding Rs. 5,000 per annum. But he appears to have overlooked the fact that Mr. Wright's earlier service, from 9th February 1855 to 31st May 1856, which was paid from funds charged to estimates accounts, was non-pensionable, and that the rejection of this period of service would reduce the total period of qualifying service to less than twenty-five years, entitling the applicant to one-third pension only.

2. Further, the Inspector-General has calculated Mr. Wright's average emoluments for the last five years at Rs. 928-14-3 per mensem, or at more than Rs. 10,000 per annum, and regarding him as an officer who entered the service of Government before the 19th May 1855, has recommended that he should be granted a pension of Rs. 5,000 a year. With reference to this, it is pointed out that the recommendation cannot, under the rules of the Pension Code, be accepted, as Mr. Wright's average emoluments do not amount to Rs. 928-14-3 per mensem, but to Rs. 783-4-7 only (as shown in the accompanying statement), and further, although Mr. Wright entered the service before the 19th May 1855, yet his qualifying service did not commence until 1st June 1856. He is not, therefore, entitled to the special concession made in Section 113 (*a*) of the Code.

3. Should Government, however, in consideration of the peculiar hardship that would be imposed upon the applicant, by admitting him to a pension equal to one-third average emoluments not exceeding Rs. 2,000 only for service amounting to close upon twenty-five years, be pleased to condone the deficiency in service to the extent of one month and six days, under the powers vested in them by Rule 2 (*a*), Section 120, Mr. Wright may be granted a pension not exceeding Rs. 4,000 a year under Section 109 (*c*) of the Civil Pension Code, Fifth Edition.

4. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 8th February 1883, No. 104, Pension.

Under Sections 102 and 109 (*c*) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. W. E. Wright, late Registrar of Assurances and Joint Stock Companies, Madras, an invalid pension of Rs. (4,000) four thousand per annum, payable at London, from the 7th November 1882, in consideration of his qualifying superior service of twenty-four years, ten months, and twenty-four days.

2. A deficiency of one month and six days in the applicant's service has been condoned under Section 120 (2) to enable him to draw a half pension.

Sir,

Adverting to your letter No. I.R.E. 561 dated the 24th November ultimo, I have the honour to hand you an application for pension on behalf of Mr. W. E. Wright, Registrar of Assurances, Madras, with all the connected papers.

2. The Evidence procurable does not enable me to fill in Cols 2 - 16 and 17 in the "Application."

"History of service" I have no [illegible]

Extract of the Service
of Mr. Wright the Regr
of Assurances
of Madras -

6th February 1855 to 31st May 1856

Year 1-3-20

Or to state whether the "Ch. Transit" from 1st May to 3rd June 1860 (--1-3) was under any order of the Government.-

I have also no means, without referring to you, of finding out what pay Mr Wright drew while employed in the Revenue Department or during his recent absence on leave to England.

Under Remarks I know not what to say as Mr Wright was a Registration officer and his character and Conduct, good or bad, must be best known to the Government. Personally I have had no fault to find with Mr Wright since I assumed charge of the Registration Department on the 5th November 1880.

I am also unable to say specifically whether the Public service claimed by Mr Wright has been established.

3. Mr Wright asks that the sanction of the Government of India be obtained as regards his service from 6th February 1855 to 30th November 1860

On this point too I am not in a position to say anything.

I have the honor to be,

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (~~subject to the remarks below recorded~~) qualifying service in { ~~inferior~~ / superior } grades has been duly proved for 21 years 10 months and 21 days; and that an ~~Invalid~~ / ~~pension~~ / ~~gratuity~~ Subject to the remarks below recorded not exceeding Rs. 2000 a year, is admissible under Section 102 (6) 109 of the Civil Pension Code. The calculations have been duly verified. The { ~~pension~~ / ~~gratuity~~ } is chargeable to

Period of Registration has ended Mr Wright's total period of qualifying service up to 6th June last is 26 years 2 months and 2 days and has therefore proposed the Grant to him of a pension equal to his average emoluments not exceeding Rupees 5,000 per Annum. But he appears to have overlooked the fact that Mr Wright's earlier service from 9th February 55 to 31st May 56 which was paid from Funds charged to Estimates Accounts was non-pensionable & that the rejection of this period of service would reduce the total period of qualifying service to less than 25 years entitling the applicant to one third pension only.

It will be seen from the Register of Service that the Inspector

Further the Inspector General has calculated Mr Wright's average emoluments for the last 5 years at Rs 928-11-3 per Mensem or at more than Rs 10,000 per Annum, and regarding him as an officer who entered the service of Govt before the 19th May 56, has recommended that he should be granted a pension of Rs 5,000 a year. With reference to this, it is pointed out that the recommendation cannot under the Rules of the Pension Code be accepted as Mr Wright's average emoluments do not amount to Rs 928-14-3 per Mensem, but to Rs 783-4-7 only (as shown in the accompanying statement) and further, although Mr Wright entered the Service before the 19th May 56, yet his qualifying service did not commence until 1st June 1856. He is not therefore entitled to the special concession made in Section 113 (a) of the Code. 109 (b)

Should Government however in consideration of peculiar hardship that would be imposed upon the applicant, by admitting him to a pension equal to ⅓rd average emoluments only for service amounting to close upon 25 years be pleased to condone the deficiency in service to the extent of one month and 6 days, under the powers vested in them by rule 2 (a) Section 120, Mr Wright may be granted a pension not exceeding Rs 4,000 a year under Section 109 (c) of the Civil Pension Code 5th Edition. 109 (c)

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code. See G.O. 27th May 1879 in Mr ~~Mr~~.

Draft ORDER THEREON (with note overleaf)

UNDER Sections 102 & 109 (c) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. W. E. Wright late Registrar of Assurance Joint Stock Companies, Madras an invalid pension of Rupees (4000) four thousand per annum.

payable at London from the 7th November 1882 in consideration of his qualifying superior service of 24 years, 10 months and 24 days.

2. A deficiency of one month & twenty six days in the applicant's service has been condoned under rule 120 (2) Service Code to draw a full pension

1882

To the Accountant-General, with Register.

Note

With reference to the Accountant General's report Mr. Hammett explains he did not "recommend" the grant of a Rs: 5000 pension but asked for it if sec: 118 (a) applied because Mr. Wright told him he was eligible for a pension of that amount.

Mr. Wright's qualifying service is 24. 10. 24 (y. m. d.). He served 26.2.2 But of this 1. 3. 22 service in the P.W.D. is non qualifying having been paid from works. Only 1 month 16 days are wanting to make up 25 yrs which qualifies Mr. W. for a ⅓ pension – not – exceeding – Rs. 4000 under sec: 109 (c)

The circumstances under which Mr. Wright was removed from the office of Supt. of Stamps will be within the recollection of the Hon. Messrs. Carmichael & Sullivan. G.O. (original) 27th May 1879 No. 1162 is put up for reference. Mr. W's case was then fully gone into & his punishment agreed on. It is assumed that Govt. will not now decline to exercise in his favour a power of condonation then used [illegible] exercise in an ordinary case.
