SIR,
In forwarding herewith in original (to be returned), the application for pension on behalf of Mohammad Nafar, late Peon, Madras Salt Factory, I have the honour to request that you will be so good as to cause the period of service stated to have been rendered in the Public Works Department from 9th July 1849 to 8th July 1860 as Peon on pay of Rs. 5 in a month to be verified from the records of your Department and to report the result to this Office together with the information as to whether the service should be admitted towards pension or not.

To facilitate reference, the affidavit of the applicant, and the evidence of his contemporary employers received with the application are herewith forwarded, and they should be returned at an early date.

If the services cannot be
verified in detail, I would ask
you to be so good as to inform
me whether the appointment of
Neon on Rs. 5-/- was existing
during the period named above
and whether it formed a portion
of the permanent establishment
sanctioned to Mr. Ottmann.

Sir,

In reply to your letter No. A.D.K. dated the 1st.
Instant, I have the honor to state that the services of
Mohammad Hassain therein referred to cannot be ~~referred~~ ^{verified}
owing to the omission from the Audit Registers of the names
of incumbents in inferior grades. The appointment of 3
lascars at Rs. 7/- per mensem under one Mr. A. F. Ottmann Surveyor
Kistna District appears but not at 5/- per mensem as shewn
in the Pension application. The Establishment Registers
for periods ~~from~~ prior to 1856 are it is thought on the
records of your Office. It is suggested therefore that a
reference be made to those Registers for the period of peons'
services prior to May 1856.

I was a master of Masulipatan
and used to supervise all works
in the town as well as outside
it. I held that capacity for about
30 years from 1844 to 1874. I knew
Mohomed Hussein. He was often
sent to me to serve under me;
when he was a permanent pen
on No 5. I knew him from the
outset of his life as a pen. He was
a temporary pen at first for about
a year and then made a permanent
pen on No 5. He used to draw the
same pay when he was temporary.
He served 11 years in this department
during the time of Mr. Ottman. I
cannot remember the year of his
entering service, nor his leaving
the D. P. W. He never enjoyed any leave
during that time nor ^{was} furnished in
any way. But at the end of his eleventh
year he fell sick and through Mr. Ottman

In A 1275

Mr. Ottman, he obtained transfer
to the Salt Department at Chinn-

Potana Kerkataredy served
with him in the same Department.

Statement of Mahammed Kasim, Delta
Lascar of Eastern Division, on the 20th July 1883

In 1856 when I was a Delta Lascar
under Captain Wace, Bundee Range officer,
Muhammed Kasim, who is at present
employed in the Salt Department, served
as a Lascar under late Mr. Osman, a
Sub Engineer in the Bundee Range. I knew
him then. But I do not know whether
his post was permanent or not. But I
know full well that he subsequently trans-
ferred himself into the Salt Department with
a pension of that Department. When Ma-
hammed Kasim was in the D. P. W.,
his monthly pay was Rs 5. This much
I know about him.
