To

His Excellency the Governor of Madras.

Fort St. George.

Humble petition of Karayana
Theragar, inhabitant of Bolu
village in Mangalore Taluk, la-
spon attached to Sea custom's
house, Dated 19th October 1883.

May it please your Excellency

With profound submission and Reverence, I
beg to lay this petition before your Excellency and
hope my cries and sorrowful case will be heard.

I beg to represent that I served in the Revenue
Department for 38 years during which time, I discharged
my duties with a great zeal and integrity; that in 1878
being severely ill, I could not attend my work; that
my post was confirmed upon my son, that on ^{my} application
for Pension to my great misfortune, I was denied of it
on the grounds of my son being favoured with an
employment.

I beg to state that there are several instances
both in Revenue and Judicial Departments in which
fathers are pensioned and at the same time their
sons or relations are favoured with employment
that my son's employment is not a sufficient reason
to deprive me of my Pension, to which I am entitled.

32
for discharging meritorious and hard works and to
besides this I have rendered many important service
during Coorg insurrection.

I regret to say that it is about 3 years that
the above illuded my son died and since the time
I hardly passed my days several times with one
meal per a day.

I further beg to add that I am now 74 years
old totally unable to do any work and entirely dependent
of my poor daughter-in-law and thus I am entirely
left destitute of means of life.

I therefore humbly crave Your Excellency
who has been kind towards poor Ryots, on con-
sideration of my distressed circumstances will be gra-
tified to allow me pension which may enable
pass my few remaining days, for which act of benevo-
lence I shall ever pray to Almighty.

There having no entrance to a poor man
I take permission to send it by post and am waiting
for the orders near the outer gate of your excellency
residence.
