The Secretary to the Govt
of Madras.

The humble Memorial of
Pasupulaty Venkata Ramudun
late peon of Gunter Taluq,
Kistna District.

Most Honored Sir.

With profound submission I most
respectfully crave your Lordship will be
pleased to take into consideration my few
following grievances and place them before
the Council.

I served the Government as a peon
for about 40 years and in the year 1868
my services were dispensed with as I became
old. I petitioned the Collector of the Dt.
Kistna about my pension. Thereon the

Collector after inquiry into my service &
claims recommended through the Board
of Revenue to the Govt. for granting me
pension with the arrears. But the Govt.
is pleased to sanction a monthly pension
of Rs 3 from 22nd November 1882. I was under
an impression that the arrears would be

sanctioned and with vain hopes I waited.

I again petitioned the Collector on 30th June 1883 to which his hono^r's Endorsement is herein enclosed for your Lordship's perusal. As I became old my services were dispensed with and this very fact represents to your worship that from that time till now (a long & weary period of 15 years) I depended on others for my protection. I am now burdened with loans contracted before.

Lapse of time will not bar sanction of pension with arrears. The Government have taken the same into their precious Consideration & sanctioned pension. I do not see any reason why the Govt. have not sanctioned the arrears when it is lawful in all respects. The difficulties I will be exposed to in the event of not sanctioning my arrears are divers. I therefore humbly beseech your worship to move the Council and favour me with the arrears (from 7th March 1868 to 22nd November 1882).

For this act of Charity I am in duty bound, shall ever pray

Your most obedient & humble
servant
