Sir,

With reference to your letter No. $\frac{DDk}{104}$, dated 19 September 1883, requesting certain information concerning the application for pension on behalf of P. Mayammal, late conductress in the Government Female Normal School, Madras, I have the honor to state that there is at present no suitable vacancy for the applicant nor is there any likelihood of a vacancy occurring in any of the Government schools. The applicant's services were dispensed with on the re-organization of the School sanctioned in Government Order dated 8 March 1883, No. 146 Educational

Educational, and from paras. 1 and 2 of my letter therein recorded it will be seen that there is at present an immediate saving of nearly Rs. 75 per mensem. As regards proof that the appointment of Conductress when created, was intended to carry with it a claim for retiring allowance, I beg to state that I am not aware of any document or record which would afford direct proof, but I consider that it was evidently intended that the incumbent should earn pension or gratuity like other servants under Government, the position of a Conductress being the same as that of a peon.
