Certified that I have carefully
examined Mr B. J. Taylor, son of W. Taylor,
a Clerk in the office of the Inspector General
of Jails. His age is, by his own statement 48 years,
and by appearance 48 years.

I consider Mr B. J. Taylor to be completely
and permanently incapacitated for further
service of any kind in consequence of Chronic
Mania, from which he is not likely to recover,
and which, if he do recover, is likely to recur.

His incapacity appears to me to be the result
of Cerebral Palsy, as stated by his friends, and
possibly of intemperance habits, as observed by
myself.

2. I beg to bring to the notice of Government that during the period of Mr. Taylor's service extending over 27 years he only availed himself of $2\frac{1}{2}$ months privilege leave, he was very regular, punctual and paid unremitting attention to his duties during the tenure of his service and I am glad to bear testimony to his general

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant.

(During the time I have been in charge of the Department since June 1874) I have found Mr Taylor an industrious painstaking clerk. He has always been attentive and punctual in his duties and I believe his conduct to have been highly respectable.

2. Explanation of any suspension or degradation.

Nil

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

Nil

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

190

5. Any other remarks.
I fully consider that the entire services of the applicant should be admitted for pension. to believe that such a qualification is the result of interference or other irregular habits.

Surgeon Robie the Sept of the Madras Linnatic. Taylor states in this certificate that Mr Taylor is suffering from chronic bronchitis and is unfit for further service and so far I agree, but I have no reason to believe that such a qualification is the result of interference or other irregular habits.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No 415

Certified that qualifying service in superior grades has been duly provided for 22 years 11 months and 23 days; and that with the applicant's incapacity for further service is certified by the Surgeon of Superintendent Linnatic Asylum Madras. He did "possibly" to anticipate habits of irregularity with Government to decide whether any pension may be granted him, and if so what reduction should be made in the amount of pension of Rs 33-5-14 per annum equal to 1/3 average emoluments admissible to the applicant under ordinary circumstances with reference to Section 132 and 109 (6) of the Civil Government Code 5th Edition.

The same is by the applicant submitted in support of his application for pension, a Medical Certificate signed by an Officer of the Presidency Town instead of by an Officer of the place where he was actually doing duty, is given by the Surgeon General of Quil. in answer to this Office referred to. 18th dated the 8th November/81 accompanying.

In his letter to Government No 315 dated the 15th Nov last, the Surgeon General, very strongly recommends that the applicant's service rendered before attainment of the age of 22 years should not be deducted from the total period of qualifying service, in order that he may be granted a higher rate of pension than that otherwise admissible. This recommendation cannot be accepted as it involves the grant of an indulgence not provided for by the rules of the Civil Pension Code. Note section 132 of that Code.

In accordance with Rule 1, under section 130, the attention of Govt is respectfully solicited to section 65 of the Code.

The Inspector General asks Govt. to count the service rendered before the age of 22 but this is against rules.

Govt.

(i) refuse any pension because of the Govt. certificate (see 105)

* This is 1/2

* (ii) give Rs. 33. 5. 4 which is due, that certificate notwithstanding.

(iii) Ask India to ask the Secretary of State for a compassionate 1/2 pension.

It is submitted that the terms of the certificate admit of (ii) but that there is no ^{sufficient cause} justification for (iii) while (i) would not be just. The Inspector General who knows the man well says he saw no sign of intemperance in him.
