With reference to copy of Order of Government of Madras No. 323 Pension Department dated 21st April 1883 furnished to me by the Superintendent of Police South Arcot District and which I herewith enclose (marked A). I respectfully beg to state that on its receipt I forwarded an application d/ 25th July 1883 to the Supdt. of Police, copy of which I also enclose (marked B.) for your kind information, and that officer I believe after due enquiry on being satisfied that the Civil Surgeon's Certificate alluded to in Para 1 of Accountant General's No. 506 dated 29th March 1883 embodied in the Government Proceedings under reference did not contain any statement to the effect that "my incapacity for the Service was the result of irregular or intemperate habits" that officer communicated with the Inspector General of Police on the subject with a view to my claims for Pension being considered. To my great misfortune the Inspector General perhaps not having the full proceedings of my case prob

before [illegible] passed an order thereon. Copy of which I herewith enclose (marked C1).

From the document marked B your honor will be pleased to understand the particulars of my unfortunate case and under such circumstances I humbly crave your honor will be pleased to call for the original certificate granted by the Civil Surgeon of Cuddalore from the Accountant General in whose custody I believe they at present lie; and if from it your honor is satisfied that my incapacity has arisen from my own imprudence such as "irregular or intemperate habits" as is alleged by the Accountant General, then in that case your honor must be of the same opinion as that Officer of Government; but on the other hand should your honor be convinced that such incapacity for the service was not the result of any imprudence on my part in the case I humbly submit that your honor will agree with me in thinking that Section 105 of the Civil Pension Code does not debar me from being entitled to the retiring allowance provided for therein.

Under the above circumstances I humbly crave your honor will

Read – the following papers:–

From the Inspector-General of Police, dated 8th March 1883, No 1195.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St George, 29th March 1883, No A.D. J.–506.

Certified that qualifying Service in the Police Department has been duly proved for fifteen years, nine months, and twenty three days. But, as the applicants incapacity for further Service has been certified by the Civil Surgeon, Cuddalore, to be the result of irregular or intemperate habits, he would seem to be entitled to no retiring allowance under the terms of Section 105 of the Civil Pension Code.

2. Government in their Orders No 80 dated 2nd January 1879, resolved that men in the Police Department, whose incapacity for further service has been certified to be due to venereal affections and whose character and past conduct have been reported

to be "good", should receive a favourable consideration. But the applicant's character and past conduct are recorded as "bad". It rests, therefore, with Government to decide whether any retiring allowance should be granted to him, and, if so, what reduction should be made in the amount of pension of Rs 2-2-8 per mensem admissible to him under ordinary circumstances.

Order– dated 21st April 1883, No. 323 Pens

The applicant is invalided for secondar Syphilis after a service of upwards of fifteen years, but as his character is reported to be bad he is not entitled to any consideration under paragraph 2, G. O. 22nd January 1879, No. 40. and cannot be granted any retiring allowance.

Cuddalore 25 July 1883

To
The Superintendent of Police
S. A. District

Sir,
With reference to your foot note dated 3rd July 1883 forwarding me a copy of Proceedings of Government No. 323 d/21st April 1883 declining to grant me a pension; I beg to notice that in para. 1 of Accountant General's remarks embodied therein, it is stated that my incapacity for further service in the Police Deptt resulted from "irregular or intemperate" habits as certified by the Civil Surgeon and that consequently I am not entitled to any retiring allowance.

I respectfully submit that there appears to be some mistake with regard to the Doctor's Certificate inasmuch as the Doctor himself gave me to understand that the disease from which I was suffering was not the result of my own imprudence and that I would therefore get a pension. Under such an assurance I beg to state that the disease (ulceration of the mouth) for which I was treated was the cause of severe mercurial applications ~~set~~ to which I was subjected under native treatment for Colic which the Surgeon I submit could not have been ignorant of when granting a certificate.

Moreover admitting the Surgeon certified that the disease for which I was incapacitated was the result of my own imprudence, it is strange that the late Supt should have submitted a roll to Government on the face of such a Certificate for my pension aware as that Officer must have been at the time of Section 105 of the Civil pension Code.

Under such circumstances, I respectfully submit that there must be some mistake and beg the favor of your kindly addressing the present Surgeon on the subject of the Certificate granted by his predecessor whether it is stated that my disease was the result of "irregular or intemperate habits".

Should the Doctor reply to the contrary, I beg you will be pleased to ask the Doctor to examine me and certify whether he considers me physically fit for further service as I am now thoroughly cured of the ulcer in my mouth.

I embrace this opportunity of bringing to your kind and humane consideration that public servants are generally recommended on the score of incapacity from infirmity or being maimed in any member of the body but to be considered incapacitated from a simple

ulcer and losing a service of almost 16 years without any remuneration whatever is, I submit an hard case the more so having a large and poor family to support, and to say that this circumstance enhances my distress is but giving feeble expression to the pain and sorrow I endure.

Should the Doctor be of opinion that I am fit for further service I beg you will be graciously pleased to have me re-enlisted in the Police Force or in case the Doctor certifies to the contrary then I beg you will be pleased to address the Government on my deplorable case submitting another Pension Roll for their kind reconsideration for which I will in unison with my family ever pray.

I beg to remain &ca

The following order is passed by the Inspector General of Police Madras on the application of late Cons No 103, Ramasamy

"The Inspector General cannot see any reason for requesting Government to re-consider their desicion. The man's Character is certified to be bad and his incapacity for further service due to secondary syphilis. The proper course is for the man to appeal if dissatisfied."

CERTIFIED that I have carefully examined 2nd C. Constable Syed Moideen son of Syed Sahib No. 259, in the Kurnool Police. His age is by his own statement 60. years and by appearance about 60 years I consider him to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of being old & worn out. His incapacit~~ated~~y & of defective eyesight the result of age does not appear to me to have been caused by irregular or intemperate habits.
