Certify that I have carefully examined Sorepiah Reddy Sorecanaroyana, son of Sorepahreddy Pungiah, a village postman of Nur-Danapettah. His age is by his own statement 40 years, & his appearance about 52 years.

I consider Sorepahreddy Sorecanaroyana to be completely & permanently incapacitated for further service of any kind in the department to which he belongs, in consequence of being old & worn out, & defective vision.

His incapacity does not appear to me to have been caused by irregular and intemperate habits.

SIR,

With reference to your application for gratuity in behalf of S. Suryanarayana, late a District Village Postman Narasimpet. I have the honor to state that the affidavits of the applicant and the evidence of Canteen-propriety employees furnished would seem to establish the applicant's claim to service only from 17th November 1874 to 18th March 1882. They however contain no information in respect of the service claimed from 1st June 1856 to 15th September 1861. I have to enquire therefore how this period of service has been proved and why claim for gratuity was not preferred on the applicant's behalf.

during the interval between September 1864 and October 1874 when he remained unemployed.

Please forward copies of any correspondence that might have passed between his office and the Postal Department in connection with verification of the applicant's service from 1874 to 1882, and also explain the delay of nearly 18 months in the submission of this application.

I have the honor to be,

It is indispensably necessary that his service should have been verified beforehand which apparently was not done (Vide my letter of 15th February 1883 to 343).

2. No information can now be given why application for gratuity was not preferred after the abolition of his post in 1861 as the applicant died before his application was submitted to you.

3. Copies of correspondence bearing on the subject of his service from 1874 to 1883 are enclosed.

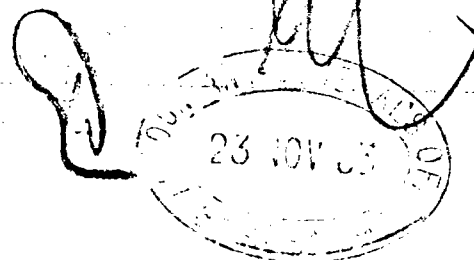

4. The delay of 18 months is due, as the Superintendent of Post offices says, to the sickness and ultimate death of the applicant, from whom certain information was wanted.
