GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Surgeon-General, dated 23rd March 1883, No. 140.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 2nd November 1883, No. A.D.J.-312.

Submitted to Government without the usual report, as it will be seen from the extract from the proceedings of the municipal commissioners of the town of Vizagapatam held on the 4th August last that the applicant is not incapacitated for further service and that he is still in service, and that the commissioners have therefore thought it unnecessary to consider at present the claim for a retiring allowance.

2. The delay in the disposal of the application is due to several references having been made to several officers in respect of the circumstances under which the applicant's services were dispensed with on 31st December 1881 as shown in the application, this office not being aware until 18th ultimo that the peon was still in employ.

ORDER—dated 11th December 1883, No. 1104, Pension.

Under the circumstances reported by the Accountant-General, this application for pension cannot now be entertained by Government. The papers will be returned to the District Surgeon through the Surgeon-General.
