From A. MACKENZIE, Esq., C.S., Secretary to the Government of India, Home department (Medical), to the Secretary to the Government of the North-Western Provinces and Oudh, dated Simla, 13th November 1883, No. 408.

I am directed to acknowledge the receipt of your letter, No. 802, dated the 27th ultimo, forwarding a memorial from Babus Brojendra Nath Banerji, L.M.S., and Abinas Chandar Banerji, L.M.S., private medical practitioners at Allahabad, praying that medical certificates granted by them to Government servants may be accepted and recognised as valid certificates.

2. In reply, I am to say that the Governor-General in Council concurs in the view taken by His Honor the Lieutenant-Governor that the request of the memorialists should not be granted. In the opinion of His Excellency in Council such certificates should ordinarily be accepted only from Government medical officers who are under Government control and supervision.
