PUBLIC WORKS DEPARTMENT.

Establishment.

No. 163.

READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 15th February 1883, No. 1123 N.L. :—

With reference to paragraph 2 of G.O., No. 350 W., of the 1st instant, I have the honor to state that ever since Nellore has been attached to this circle the inefficiency of most of the clerks in the Division Office has been prominently brought to notice by the Executive Engineer; it has been noticed by the Inspecting Officers of the Accounts Branch, and was noticed by me in the report on the Division Office, dated the 24th April 1882.

2. It is not, I think, advisable, in the case of proved inefficiency, simply to transfer the inefficient man to another office.

3. The two worst men in the Nellore Division Office are Gopal Das, the Head Clerk, and Chenchuramiah, Clerk, IV Class, 2nd Grade.

4. I consider it essential that there should be a thoroughly efficient Head Clerk, and therefore it is necessary to remove Gopal Das. It would be worse than useless to transfer him to another division, and as he has nearly 23 years' service, it would, I think, be hard to dismiss him, because he has been promoted beyond his deserts and placed in a position for which he is unfit.

5. I have therefore given orders that this clerk be reduced to the next lower post in the office, viz., Clerk, IV Class, 2nd Grade, and my object in writing is to request that authority may be granted for the maximum salary of the grade, Rs. 40, being passed to him. Gopal Das now draws Rs. 80; it will, I think, be only fair to give him the maximum pay of the grade to which he is to be reduced. Under G.O., No. 1636 W., of 12th July 1880, special sanction to this seems to be required.

6. Similarly I have ordered P. Chenchuramiah to be reduced to IV Class, 3rd Grade. This clerk now draws Rs. 35, and I would request that authority be given for him to draw the maximum of his grade.

7. I have posted T. Sivakamiah, Clerk, III Class, 2nd Grade, at present 2nd Clerk in my office, as Head Clerk of the Nellore Division. His present post is abolished under the scale of establishment sanctioned in G.O., No. 3211 W., of 6th December 1882. He is a very intelligent, hard-working man, and will, I believe, make a good Head Clerk. My only reason for not promoting him to the higher grade recently sanctioned for this office is that he has not yet 11 years' service, and other applicants have more.

8. The reduction of the two clerks above named became possible owing to there being a vacancy in the Nellore Division Office caused by a transfer of a Clerk, IV Class, 3rd Grade, to the 5th Circle Office.

9. I have entered into a full explanation of the arrangements made, in order that the grounds on which permission is sought for the reduced men to draw the maximum pay of the grades in which they have been placed may be clearly understood.

No. 164.

ORDER—dated 23rd February 1883, No. 601 W., Public Works.

The arrangements proposed by the Superintending Engineer are approved; the clerks named will draw the maximum pay of the grades to which they are to be reduced.

Copy of letter from the Super-
intending Engineer, 2^d Circle, No. 6357
dated 2^d November 1883 to the General
Public Works Accounts.

Sir,

I have the honor to forward
herewith the marginally noted docu-
ments, regarding the claim for pen-
sion of one N. S. Gopaladas Pantulu,
late Head Clerk of the Allene Di-
vision Office.

2. Though the applicant was pro-
nounced unfit for further service
on the 13th March 1883, he could not
be relieved till the 3^d April 1883, by
which time, his successor joined.

3. As the periods spent on pre-
vilege have count towards pension,
they have not been entered in the
application, periods of other leave
that do not count for pension being
entered in detail.

4. The applicant has a qualifying
service of years 23-7-¹⁰/₄, and claims
the benefit of 1 year's family service,
and

and the condonation of deficiency in term of qualifying service viz. 4 months 26 days under Section 120 (2a) of the Civil Pension Code, 5th Edition. This may be granted, if the Government see fit, his characters are generally good, but during the last 2 years he has been hanging on to get an increased pension while quite unfit for his duty. Please see G.O. No. 350 W of 1st February 1903, also G.O. No. 601 W of 23rd February 1903.

5. The Executive Engineer, Bellary Division, has been requested to send to your line at the Office, from the Executive Engineers Gudaloh and Harnool Divisions, in which it is stated that the services of the applicant have been verified.
