CERTIFICATE.

Certified that I have carefully examined Alexander Thomson

Son of Robert Thomson

a Pensioner in the Hospital Service.

His age is, by his own statement 60 years, and, by appearance, about 60 years. I consider the said Alexander Thomson to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of old age, Rheumatism & Shortness of Breath. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

~~I am of opinion that he is fit for further service of a less laborious character than that which he has been doing, or may, after resting for months, be fit for further service of a less laborious character than that which he has been doing.~~
