Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated Fort William, 15th April 1862, No. 2,905.

Read letter from the Chief Secretary to the Government of Fort Saint George, No. 160 dated the 4th February, proposing an increase to the salaries of the District Moonsiffs in the Madras Presidency, and to the cost of their establishments.

RESOLUTION IN THE HOME DEPARTMENT, dated the 2nd April 1862, No. 1,695.

The Governor General in Council observes that the increase of cost from the arrangement is represented to be Rupees 14,320 per mensem; but as it would appear that the establishment shewn as the "present scale" includes seven District Moonsiffs in the Province of North Canara about to be transferred to the Government of Bombay, while the establishment entered as the "proposed scale" is "exclusive of the seven for North Canara," the increase will apparently be somewhat larger.

2. The Governor General in Council has no doubt of the necessity for the increase in the salaries of the Moonsiffs and in the strength of their establishments proposed by the Madras Government, and he directs therefore that the proposition be referred to the Financial Department for consideration, in respect to the increase of expense which it involves.

3. Meanwhile the Madras Government will be requested from this Department to consider whether an early reduction of expenditure may not be effected by the abolition of all or some of the remaining Mooftee Sudder Ameens whose occupation, in consequence of the enactment of the Penal Code and the abolition of the Mahomedan Criminal Law in India, has ceased. The Madras Government will also be asked whether the establishment of Mofussil Small Cause Courts under Act 42 of 1860 does not enable them to reduce the number of Moonsiffs and of the Native Judges generally, as has been already done in the North Western Provinces.

Ordered, that the above mentioned letter be forwarded, with a copy of these remarks, to the Financial Department, for further consideration.

Ordered, that a copy of these remarks be sent to the Government of Madras for report as to the points noticed in paragraph 3.

RESOLUTION IN THE FINANCIAL DEPARTMENT.

In prospect of the anticipated savings referred to, His Excellency the Governor General in Council is pleased to sanction the proposed increase to the salaries of the District Moonsiffs in the Madras Presidency, and to the cost of their establishments, the aggregate additional cost amounting to Rupees 14,320.

Ordered, that a copy of the above Resolution be forwarded to the Home Department, for information and communication to the Government of Madras, and that the original papers be returned, copy being retained.

Ordered, also, that a copy of the above, and of the Tabular Statement submitted by the Government of Madras, be forwarded to the Auditor General of India, to the Deputy Auditor and Accountant General, Madras, and Civil Pay Master, Madras, for information and guidance.

HOME DEPARTMENT,

JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Secretary to the Government of India, Home Department.

(Here enter 9th May 1862, No. 2,376.)

ORDER THEREON, 26th June 1862, No. 999.

The Governor in Council requests that the Judges of the Court of Sudder Udalt, to whom the foregoing resolution will be communicated, will proceed without loss of time to revise the salaries of the District Moonsiffs, on the principle laid down in their letter of the 25th July 1855, selecting ten of the ablest and most deserving Officers for the appointments of the 1st grade. For these appointments, any Moonsiff in whatever grade he may be serving will be eligible, provided that he is acquainted with the English language, and subject to this proviso, the selection should be based entirely on the superior qualifications of those selected and altogether irrespectively of seniority. The ten appointments of the second grade should be filled by seniority. Under these arrangements every Moonsiff on first appointment will be placed on the 3rd grade on a salary of Rupees 200 per mensem. He will be promoted to the 2nd grade by seniority as vacancies occur unless he should previously be selected by the Sudder Court for a 1st grade Moonsiffship. The salaries of the several grades will be personal and not attached to particular Courts.

2. On further consideration, the Governor in Council is of opinion that the allowance for the Contingent expenses of the District Moonsiffs' Courts, should be additional to the sum of Rupees 120 per mensem, proposed for the establishments of those Courts. In supersession therefore of the Orders conveyed in the Proceedings of Government, under date the 28th ultimo, No. 850, he resolves to request that the Judges of the Court of Sudder Udalt, if they consider it desirable that the present system of granting a fixed monthly allowance should be continued, will submit an application in the prescribed tabular form for such an increase to the monthly expenditure now sanctioned for the Moonsiffs' Courts as will adequately provide for the necessary contingent charges. The allowances hitherto granted have, it is understood, in many cases, been found insufficient to meet these charges, and there is apparently no ground for making any distinction in the amounts allowed to the several classes of Moonsiffs. For the future at all events, as the grades of salary will be personal and will not in any way depend on the amount of business before the Courts, this distinction must cease.

3. But it appears to His Excellency in Council that it would be a better arrangement to provide for the contingent expenditure of the District Moonsiffs' Courts in the same manner as that of the higher Courts, and of other public Offices is provided for, viz., by permanent advances and monthly Contingent Bills. The Judges will be good enough to give their opinion on this suggestion.

4. In connection with this subject it has been brought to the notice of the Government that many of the Moonsiffs' Court Houses are very inadequately furnished, being deficient in the most necessary articles of Court furniture. This is a matter which calls for the attention of the Judges.

5. They will expedite the submission of the information called for in the Proceedings of Government, under date the 17th April last, as to the extent to which the abolition of the Office of Sudder Ameen can be carried out.

Read Proceedings of Government, dated 26th June 1862, communicating the sanction of the Supreme Government for increasing the salaries of the several District Moonsiffs and their establishments, and requesting the Sudder Court to proceed without loss of time to revise the salaries of the District Moonsiffs on the principle laid down in their letter of the 25th July 1855, and to submit their opinion on the suggestion for providing for the contingent expenditure of the District Moonsiffs' Courts by permanent advances and monthly Contingent Bills, &c.

5. The following scale of salaries for the Ministerial Establishments of the District Moonsiffs' Courts, proposed in the letter of the Sudder Court to Government, dated 2nd May last, will be introduced by the Civil Judges from the 1st of September next:—

7. The Civil Judges are requested to ascertain whether the District Moonsiffs' Courts are sufficiently supplied with necessary furniture, such as, a raised bench including a platform, table and chair for the District Moonsiff, a table and seats for the pleaders, desks for the Goomastahs, &c.; and to submit for the sanction of the Sudder Court estimates for such articles as may be required.
