sent by him that there is
no proof from Baravards (Pay bills)
of your service during the months

you cite as witnesses to prove
in what offices you served

Continued in the same

Rupees 12 during the arrangement

subsequently raised to Rupees 15.
I cannot recollect from what date
it took effect. I know that Venkanna

1863, but it appears from the

I had been the Karnam of the village
of Katakutiwarum for 30 years prior
to the arrangement of village establish-
ment and was reduced in that arrange-
ment. Göteti Turkanna was Samudda
at Tadimalla about 20 years ago. I
remember he was in this post for 5 years.
Though I cannot say the particular years
and months, I remember of his being a
Samuddar in 1858, 1859 and 1860. It can,
therefore, be said that he held the post
of Samuddar in the months of November

April and May 1859 and June 1860 but
I cannot say this for certain.

I know Goleti Venkannagaru. I
remember that this Venkanna held the office
of Samudhar of the Tadinalla Samut
on 12 a month from the year 1854 to
the year 1860. I therefore say that he held
the office of that Samudharship in the
months of November and December 1858,
January, February April and May 1859
and June 1860. I was then Kurnam of
the Village of Tadinalla. I, therefore,
know this very well. I was reduced -
during the arrangement of the Village -
Servants. The work of Demarcation and
Survey was carried on in Tadinalla
and other Villages in the years 1858, 1859,
and 1860. During that time Venkannagaru
and myself furnished supplies to the
party. From this also I can say for
certain that Venkannagaru was, at that
time, the Samudhar.

as per the rules of the Government of Madras.

temporary employment and the
last pay Certificate are herewith
forwarded.

5. The age of the applicant
calculated from the date of birth
as entered by him in his Service
Register viz. the 1st day of the
increasing moon of the month of
Ashwajam year Pardheva, the corres-
ponding English date being
Saturday the 15th October 1825
up to the retirement is years 57-1-12
but from the entry in the accounts
of this office his age on the last
day of service is 60 - 25

6. When the applicant was
ordered to retire from service he sent
in a petition requesting his retention
in service and on reporting on this
petition the Deputy Assistant Collector
said that the petition raised the
question of his service in
the office of the Collector.

33
to the annual account
furnished from that Taluk
showing the Establishment as
it stood on the 1st April of
each year he is now 60 years
old, that he does not see
any good reason to doubt the
correctness of the annual
Taluk Statement, that if that
Statement was incorrect petitioner
had an opportunity afforded
him 5 years ago of correcting
it, for at that time as he
was then believed to be 55
years old, the late Collector
was asked to sanction the
retention of his services and
that it was accordingly sanctioned
by him. The applicant was
then 55 years old and not

55 he should have brought the fact to notice but he failed to do so.

7.7 The Head Assistant Collector further says that if the applicant was really 57 years old and not 60 he would nevertheless not be inclined to recommend his retention in service any longer. He has no definite charge to bring against him but does not consider him a good Inspector.

Q. It is shown in the Service Register that the applicant was employed as an Anient Gunastah from 16 May 1846 to 14 September 1848 on a salary of Rs 10 per mensem. But his service during this period is borne out neither by the records nor by

35
the evidence of his contemporary employees, and therefore I have not shown this item in the history of his service.
