that the same may be retransmitted
to this office duly modified with
information on the following points:-

- (a) The circumstances under which
the applicant's services from 10th

have been classed as qualifying
instead of as non-qualifying under
Section 89 of the Civil Pension Code.

Copy of letter from the Superintending Engineer 5th Circle to the Examiner P.W. Accounts, Madras, No. 3783 dated 31st January 1883.

I have the honor to return the gratuity Papers sent with your letter No. 338 of the 16th October 1882 for Gummastal Narayanasamy Naidu.

2. With reference to clause (a) the application has been modified, in accordance with Section 89 of the Pension Code.

3. With reference to clause (b) the Executive Engineer states that there is no correspondence in the records of his office respecting the applicant's non-employment, from want of funds, during the period from January 1871 to December 1872.

4. The delay in the submission of the gratuity application is attributed chiefly to the fact that the Order allowing pensions to members of the Petty Establishment was received by the Executive Engineer, two years after the

Proceedings of the Madras Government.

The examiners invariably report that the candidate is a student of greater ability than that does not appear to be the case.

The applicant was thrown out of employ; there was then unavoidable delay in the verification of services, and the collection of the statements of contemporary servants &c.

Revised statements of contemporary servants are forwarded.
