TO THE GOVERNMENT OF MADRAS,

To

THE Collector of South Arcot.

SIR, Vide your application for gratuity on behalf of
Valdara Hussammad Piliaman, late a Peon, Induramun Taluk.

The undersigned has the honor to request information on the following points:

- (a) The employment or non-employment of the applicant from 8th August to 9th September 1858 has not been specifically shown in the history of service in the 2nd page of the accompanying application.
- (b) The date of re-employment to the post of Police Peon is shown as 3rd May 1859 in the history of service while from the explanatory given in the 3rd page such date appears to be 9th June 1859. Please say which of them is correct.
- (c) From the copy of order furnished, the applicant's removal in August 1858 appears to be due "suspension" and not abolition of appointment. Explain the discrepancy.
- (d) In the annual return of 1st April 1880 furnished to this office, the applicant's name is not traceable. The omission should be explained.
- (e) The applicant's degradation on 21st March 1882 from an appointment the pay of which was only Rs 8 to one the pay of which was only Rs 6 for him, should be more fully explained. It should be remembered that if he was not his appointment on pay of Rs 8 as the predecessor.

Establishment, authorized by Government in June 1882, he would have been entitled to a Compensation Grant of Rs 48 instead of Rs 40 only as now proposed by the Collector.

(1) If the abolition of the applicant's post with effect from 1st July 1882 was duly anticipated why he was not retained in that post up to that date and then transferred to the lower post.

 No. 135 dated 11th Dec 1882

The undersigned has the honor to furnish information on the following points as required in the above letter.

(1) The applicant was without employment from 8th August to 21st October 1858 and this period has been specifically shown in the history of service in the 2nd page of the application. The entry "8th September 1858" in the 2nd line in column 4 of the "Remarks" in the 3rd page of the application should be "8th August 1858" and has been altered accordingly.

(2) The correct date of reemployment of the applicant in the post of Police Peon is 3rd May 1859 and not 3rd June 1859 as given in the 3rd page.

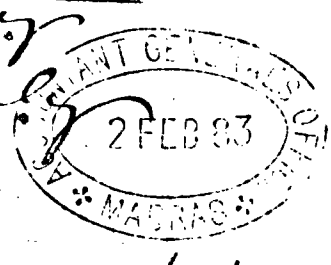

Removal Roll of a man of Sindharanum Saling, considered unfit for further service.

Rank	Name	Age	Disease
	Mahomed Silaman	50 years	General Debility
This man appeared before me on 4th September last at the request of the Acting Joint Collector, South Arcot, who reported that he suffers from General Debility. He is a very old man, in my opinion, 60 years of age although 50 in the age entered in his Government Roll. He was debilitated, and somewhat ill and worn out. He is not considered fit to serve any longer. It is proposed to discharge him from the Government service, and to grant him a pension of Rs. 100 per month. He is a native of the place of his birth, and is a native of the place of his birth.			
Considered unfit for further service.			

21st December 1880

Considered unfit for further service.

21st December 1880

(C) The first entry "abolition of appointment" in the history of service in the 2nd page of the application is not correct. It should be "removal from appointment". Correction has accordingly been made in the history of service. From the writing of the order issued by the late Head Assistant Commr to the Queen of Merhaiman (translation of which has already been sent to the Accountant General) it does not appear that the applicant's removal was due to resignation.

(d) The applicant's name was shown in the nominal roll of peons and servants employed in the Collector's Department as it stood on the 1st April 1880 sent to the Accountant General on the 2nd April 1880.

(e) The copy of the Sub Collector's letter furnishing explanation on these points is enclosed.

(f) The nominal roll furnished by the Acting Joint Collector, South Arcot, giving his detailed reasons for invaliding the applicant, is sent herewith.

The application for gratuity returned with the letter under reply is herewith retransmitted.

Collector of Southbrook

With reference to your Docket No. 2472 dated 18 December last, I have the honor to inform you that I have already stated to you in my Docket No. 1289 dated 6 November last, that Mohamed Silawan referred to in the Accountant General's letter No. 48th of the 11th Idem was sent to a post of lower post of Hob in order to save him from leaving his post at the reduction of the Lager Establishment which was then approaching.

2. As to the question (4) in the Accountant General's letter, I beg to state that Musauian the man who was sent to the Lager station of Kundamungalan in the place of Mohamed Silawan, was once a Lager man. He committed in the Lager some irregularities which he was punished for. He was then sent to the Lager station of Kundamungalan in the place of Mohamed Silawan. In the Lager office he was a man who was

very unpertinently and dishonestly
wishes removal from the Service
was thought to be a just punishment.
As the order of Government with regard
to the reduction of Sayer's establishment
was every day expected, I thought of
sending him back to Kundannur
Sayer station in order to serve under
the purposes of securing a place for
Mahomed Silaman and effecting the
removal of Musauian from the Service
for his continual misconduct.

Certified that I have carefully examined *Mahomed Silaman*
son of *Mahomed Fasal* a *peon* in the
Lindivanam talug. His age is, by his own statement, 50 years, and, by
appearance about 60 years. I consider *Mahomed Silaman* to be
completely and permanently incapacitated for further service of any kind in the
Department to which he belongs, in consequence of *being old and worn out*.
His incapacity does not appear to me to have been caused by irregular or
intemperate habits.
